Pimples Cannot Live

When The Blood is Purified With Stuart's Calcium Wafers.

Trial Package Sont Free Pimples, biotches, eruptions, etc., simply disappear like magic when you shut off the supply of impurities which

Stuart's Calcium Waters go into the blood through the same channel as food. They stimulate and nonrish it. They destroy foreign and unnatural bodies found there and remove all im-

In many cases pimples and eruption sappear from the skin in five days. These little wafers are so strong that immediately after they so into the blood their beneficial effects make hemselves known. The blood is cleansed rapidly and thoroughly, the mpure is separated from the olood and the waste matter and pol-

sons are carried from the system.

The persons who suffer the humiliaion of pimples, blotches and eruptions should know and feel that the blood is in bad condition and delay is quite dangerous and is liable to affect many

organs quite seriously.

Purify your blood and you give nature the means to successfully fight all manner of disease. Calcium Sulphide one of the ingredients from which tuart's Calcium Wafers are made, and t is the strongest and most powerful blood invigorator known to science This wonderful purifier is endorsed the entire medical profession and is generally used in all doctor's prescrip-

Stuart's Calcium Wafters peculiarly preserve the strength of Calcium Sulphide better than other methods thus giving the most rapid cures owing to reedom from decay, evaporation, and chemical weakness caused by many latter day modes of preparation. Studruggist. Price 50c, or send us your name and address and we will send you a trial package by mail free. Address F. A. Stuart, 175 Stuart Pidg.

THE EVIDENCE GIVEN

(Continued from page 2.)

now you refuse to allow these papers it to be inspected by counsel for the commission. That is your position; is it?

A. No. That is not my position.

Q. Well, what is your position then,

with regard to it, if that is not your A. I think I have stated my position You think you have stated it?

A. I think so... Q. You are willing that Mr. Waish should see anything that belongs to A. No. I never wrote Mr. Cushing you, but you will not produce it for any letter with respect to the A. & G.

his inspection? Q. That is your position?
A. No. I didn't say that.

Q. This is what it amounts to?

A. I hardly think so.

Q. Have you any letters in Your A. No. I don't think I ever sent him before us, but prefers to adopt his own parliament, from Victoria, in reference
Q. And any letters between yourself
to this project.

before us, but prefers to adopt his own
method. I do not know whether for
and Mr. Minty, you have produced by

A. No. I think I haven't. A. No. I think I haven't.

Q. Well, will you swear you haven't?

A. I think so, all that I can find.

Q. Have you any letters in your possession from Mr. White in minister of the interior, in connection with this project?

A. I think so, all that I can find.

Mr. Justice Beck: I understand there might be a reasonable objection to disclosing the name, but that seems minister of the interior, in connection with this project?

The witness: As I already intimated

A. None whatever, Mr. Nolan.

Q. Did you ever have any?
A. Never did.
Q. Have you in your possession any should be kept private, anything that I think.

A. None whatever, Mr. Nolan.
Q. Did you ever have any?
A. Never did.
Q. Have you in your possession any should be kept private, anything that I think.

I think. Q. You understand what I mean by

Mr. Waish's inspection?

I haven't any of them now.

Where are they now?

A. No: absolutely none.

Q. Is there any correspondence in your possession between yourself and

A. I presume you know better than A. Yes.

I do. It was taken out of my coat.

Q. Where are these letters.

here in that hall. You and find that A. There are no letters bet one I presume. The other one that I gelf and any member of the legislative had I destroyed.

A. There wasn't anything of im-Q. And that is the reason you des

A. Yes.
Q. You destroyed it because there Q. was nothing important in it. When did sion you destroy it? I think as soon as I got it, Q. Was it a typewritten letter, or written with pen and ink?

written with pen and ink?

A. Written with pen and ink.

Q. Have you any opening of the press ing on this matter?

A. No, I don't but I might say it matter.

troyed.

Q. One was stoien and the other destroyed?

A. That is it

Q. So these are the only letters you have ever received from Mr. White, M. Q. Well, I don't want to have any-p. In connection with the Alberts & thing to do with that

A. That is all they contained.

I understand, the law is the telegraph companies are bound to the commission, are willing to trust counsel for everything; and that is the position that is it

A. Not particularly. That was all the verything; and that is the position of the position of the counsel to the political aspect of it.

A. Well, I don't want to have any-perfectly and I submit that to the counsel to the political aspect of it.

A. That is all they contained.

Q. If they are in existence, Billious Q. Letters from Mr. White to you that may bear on this matter? Headache

A. I told you I didn't know of any in existence. There were never any in existence that bear on this matter that COMES FROM LIVER DERANGE MENTS WHICH ARE THOR-Q. If you have any, where will they

have brought about a complete cure. From the first-I found that one pill But not otherwise? arrangement: no. Q. Have you any letters in you ession from W. H. Cushing, for minister of public works in this You won't be satisfied with mere temporary relief when you know your headache can be completely cured by using Dr. Chase's Kidney and Liver

A. Well, I would either have them or I destroyed them in the usual way. I don't always keep private correspon-

chemical weakness caused by many A. No; I haven t latter day modes of preparation. Stu- Q. Did you ever have any letters or art's Calcium Wafers are sold by every druggist. Price 50c or send as your A. No. I don't think so.
Q. Well, are you sure?
A. Well, I am morally certain. Let

I have. I don't think I ever received any letters from Mr. Cushing of any kind except departmental letters on road matters or something like that.

Q. I want to know whether you have BY MR. J. R. BAYLE, M.P.P. in your possession any letters or do duments?

> Sent you by Mr. Cushing? No, not that I can remembe A. No. I don't think I ever wrote to

No. I don't think I ever wrote to obliged to hand these over to Mr. Cushing a half a dozen letters in Walsh. We have already intimated that my life.

Q. Well, you may have five copies of letters written by you to Mr. Cushing. That is what that means. Well is it so?

with the A. & G. W. railway?
A. None whatever, Mr. Nolan.
Q. Did you ever have any?

Q. Anything in connection with the ter from Mr. Frank Oliver going to jection to that. But as I pointed out, I

Q. Anything in connection with the construction of ar the opposition of the coad by the Alberta & Great Waterways company?

A. No.

G. You never had any such letter?

A. No. I have said letters from Mr. White, M.P.?

Q. You do?

Q. You do?

Q. In connection with this matter?

A. Well, I don't know that they could be said to be exactly.

Q. Well somebody else might know they could be said, Will you produce these letters for Mr. Waish's inspection?

Mr. Justice Scott: Aren't you travelling a little out of the limit. That last question you asked was not for the purpose of soliciting information with reference to this enquiry, but for some other object.

Mr. Molan: I washed was not for the second day, that there should be a distinct ruling. I am representing a member of the legislature exactly these letters for Mr. Waish's inspection?

One of them somebody else has any other member of the legislative assembly of this province in connection

> essembly written prior to the opening of the legislature. There are no such letters?

you have undertaken to show Mr. Walsh private letters from your clients instructing you. I do not think that has been suggested. The letters that are now being discussed are not letters such as the documents you now Q. Nothing written order to opening of the legislature? A. Not the present session.

Q. The opening of the present

have may be, but they are certain documents giving certain information A. No. .
Q. You have no papers?
A. No, that I can remember.
Q. Have you any written since the in any way, no matter whether they are shown to Mr. Walsh or not.

Mackenzie: The position, as ng on this matter?

A. No, not directly bearing on this understand, when those telegrams are

A. No, I don't but I might say it hadn't anything at all to do with the Alberta & Great Waterways rallway.

Q. Where is the other one that has not been stolen out of your cost pocket?

A. That is the one I say was destroyed.

I matter.

Understand, when those telegrams are being produced on the part of the telegraph companies is as a matter of assisting the commission, and not a matter under which a committal could be issued if they are not produced. As nembers of the legislature, companies are bound to the commistance of the legislature.

have ever received from Mr. White, Mr. In connection with the Alberte at thing to do with that Ph. In connection with the Alberte at the Street Waterways railway?

A. It wouldn't little to say that.

G. I week to know if you have in the Alberte at a connection with the Alberte at Great Waterways railway?

A. These were not in connection with the Alberte at Great Waterways railway properly with the Alberte & Great Waterways and the recent waterways and with railway.

A. I don't think the profect was mentioned in the waterways company to the Profession of the Waterways railway properly water

adjournment, the question will solve itself. I do not anticipate that there will be any difficulty about it at all. The witness: I might say, my lord, I don't think there will be any objec-

idon't think there will be any objection, if I have an opportanity of talking it over with Mr. Bennett, to handing Mr. Walsh all the matter that I have got. As I understand it, the people who are presumably on the other side want to know now before they put their witnesses in the box, what we know. I do not propose they shall if I can help it.

Mr. Justice Scott, I supposed from

Mr. Justice Scatt: I gathered from Mr. Bennett's evidence that he did not want to show his hand until the proper time came. That is the impr that I had.

Mr. Justice Harvey: The commission to produce his papers. Mr. Cornwall. Bennett does not want to do it, then it would become necessary, if we think it is something we have to have, to Mr. Biggar: Now that the statemen

some of the witnesses are not willing,

seems to arise at once, what is to be

Mr. Biggar have entirely different Mr. Justice Scott: I understand you

are referring to papers Mr. Bennett refuses to disclose?

Mr. Biggar: Not only that, but Mr. Mr. Justice Scott: Mr. Boyle says he is in the hands of his counsel.

Mr. Biggar: Quite so, so are the papers. He has the right at this mom-

advised to try Dr. Chase's Kidney and ent to ask his counsel for the delivery Liver Pills I did so and can say they of those papers, and to hand them Mr. Justice Scott: You could not ask I was also a victim of itching piles and sel's advice?
found Dr. Chase's Contment the most Mr. Biggar: It isn't a question of

satisfactory treatment I ever used. It advice: it is that the commission has brought relief almost instantly.

You won't be satisfied with mere that Mr. Bennett will advise the wit-Mr. Justice Scott: Or assuming to the contrary that the papers will be Pills. One pill a dose, 25 cts. a box, all produced. Mr. Biggar: Very well, the papers dealers; or Edmanson, Bates & Co., To-

Walsh, with the names covered up? asked me for anything that I haven't No. I don't think so. I don't think given him. Probably if Mr. Walsh wants anything, he will likely ask me Mr. Justice Beck: That is really the reason why you do not want to show them; that you do not want to dis-close the names of the persons who gave the information. Mr. Nolan: I should like to say be fore the witness leaves the chair tha

Mr. Justice Harvey: I did not gather all to letters received by Mr. Boyle that from Mr. Bennett's examination. giving him information. My request communicate all the evidence or information that he has In connection with he could come to the conclusion as to these charges. He may want to bring whether these papers were revelant his own witnesses and examine in his or not to this inquiry—not necessarily own way. I do not think that he is obliged to hand these over to Mr. The witness: Mr. Walsh has them already, excepting the letters giving any person may appear here and give evidence and not submit it to Mr. Mr. Justic Walsh. Mr. Justice Scott: You have already handed over documents of every other

Mr. Biggar: If your lordships will class?

permit me, it seems to me there may be a very considerable doubt about of that is in my poss that. We cannot tell until this material my control. class?
The witness: Every one that I know

is submitted whether it only implicates Mr. Biggar somebody for whom Mr. Bennett is Bennett has? Q. In reference to it at all?

Somebody for whom Mr. Bennett is not acting, or whom he is acting, and of the nature where information can therefore it is necessary to submit it be obtained, and what the nature of it Mr. Biggar: And information? The witness: And information. Mr. Nolan: My request extends course, to such documents as these
