pearance Becoming Solved.

uppermost in the thoughts of over 1880 of \$619,260.29. our citizens. So far the evidence obtained has not come to any settled Owen So here from Hamilton as a witness, was released to-day on his recognizance to appear when called for. Phil. Butler is still under arrest. Butler now under arrest, was a witness at the Coroner's inquest, but nothing of any importance could be obtained from best bail in the county would be given. At the Police Court this morning "the prisoner Butler" was arraigned and pleaded not guilty. County Crown Attorney Van Norman looked after the interests of the crown, and V John Smart was the first witness examined and testified as under: Knew the prisoner, Phil. Butler. 1 was working at Batson's hotel on the 21st of December, 1880; have not been working there up to date; left there last summer; previous to going to Mr. Batson's I worked at the Robinson Hall notel; left Batson's hotel on the dry at Longeucil, north of Montreal. was done because I saw the young dry at Longeucil, north of Montreal. evening of the 21st; saw prisoner on Colborne street; he was coming out of Bould's Restaurant; it was then abou

9 o'clock, and I was on my way down to the Robinson Hall; Mr. John B. Sage was with Butler, and they went across from Bould's to the Robinson Hall; I also went to the Robinson Hall; I saw the prisoner at the bar of the Robinson Hall; Sage was with him; they were drinking; think it was Mr. Sage that treating; think it was Mr. Sage that treat-ed; Sage showed a handful of bills; committed suicide Monday morning was intoxicated very badly spilled his liquor while drinking; Mr. Rogers refilled his glass; I remember Rogers refilled his glass; I remember deceased leaving the bar and going inforty miles from St. John's, Nild., on to the hall-way; Rogers and Butler Friday. It is supposed she struck or accompanied him; they were helping Grate's Point, and went down before Sage along, having hold of his arms a boat could be launched. on either side; they turned to go up stairs; I thought they were taking han up to bed; Sage was spoken to about having a game of pool, he was will-ing; this was the last I saw of him Liverpool at New Orleans, was con

alive; I heard next day that Sage was siderably damaged by the explosion of an infernal machine which, with a Cross-examined by V. Mackenzie. number like I think it was about 9 o'clock that I the cargo. saw Butler coming out of Bould's; I was engaged at my duties at Batson's before coming down to town; came change, died on Monday, aged 64 down to get some tobacco: I think it was Friday because it was Christmas eve; I am not positive as to the date had seen Butler two or three times before at the Robinson Hall; had frequently seen Sage before; Sage and Butler walked along from Bould's comparatively straight; I think Sage

was the more intoxicated of the two I was standing near Bould's saloon when they came out; they rossed to the Robinson Hall almost infifteen minutes from the time I reached the Robinson Hall: I was customed to spend my evenings at the Hall; besides Rogers, Sage and But-ler, there were present Mr. Barrac lough, a gentleman from Cainsville named llette, and a tew others whose names I do not remember; the parties in the bar-room were talking about having a game of pool; Rogers suggested the game; I do not know what liquor was drunk; Butler was not soper: after they went into the hall I stairs: I went out by the alley door: could swear positively to Butler's iden

ing suspected; it was supposed that he had taken a train out of the city; I nated the affair after the body was found; i told Mr. Excell the same story as I am telling now; I did not holp back anything out of fear, I next told Mr. Griffiths, Chief of Police, this story; when I went out of the Robinson Hall I remember that Bar. Robinson Hall I remember that Bar. Traclough and llette were still there; I remember that Bar. The box contained a document stating that the money was buried by his ingustation of the city; I to death.

In an affray at Decatur, III, on Sunday, E. G. Tesney stabbed George King, storekeeper, eight times in the breast, killing him. King shot Tesney fatally.

Adolphus Spitzenburg, a New York grocer, found a copper box in his tory; when I went out of the Robinson Hall I remember that Bar. The box contained a document stating that the money was buried by his sufficiently open at the throat to remeat that same a train out of the death.

In an affray at Decatur, III, on Sunday, E. G. Tesney stabbed George King, storekeeper, eight times in the breast, killing him. King shot Tesney fatally.

Adolphus Spitzenburg, a New York grocer, found a copper box in his wears a long, fur lined ulster, which is sufficiently open at the throat to company to give their guarantee, on the Grand Trunk at no point more distant than about ten miles from those lines, as a little Grand Trunk at no point more distant than about ten miles from those lines, as a little days on its bonds is what it may be enabled to extract from the weakness or fatuity of the scent to that kind of an argument. The voice can be said to be anything but each and letter weakness or fatuity of the scent to that kind of an argument. The voice can be said to be anything but each and letter weakness or fatuity of the scent to that kind of an argument. The voice can be said to be anything but each than about ten miles from those lines, when doubled up, would form a fist that would int a bard knock should an occasion arise for the owner to describe an repeat that Sage, Butler and Rogers

went into the hallway.

To His Worship—The money was exhibited before the game of pool was suggested; I generally finish my work at Batson's about 9 o'clock.

To Mr. Mackerzie-I had seen the prisoner, Mr. Butler, at the Robinson Hall on several occasions before; I have seen Butler in town since the night in question; I think Christmas Day is on the 22nd of December, but do not know for certain; I do not seizures of arms and ammunition at know the day of the month Christmas

David Danskin, sworn, deposed:— I am a butcher; I remember the day in question; I was going home about dusk up Market street; I was driving I knew the late John B. Sage well; I think I saw him and Butler coming down Market street towards Colborn street; Sage was very drunk; there was another person besides Butler identification of Sage and Butler; when they met me Sage made a halt, as if he

How De Long Made His Way

A day or two ago, Assistant District Attorney John Oakey fishing out an old account book from the lower drawer of his desk and turning over the leaves pointed to a page on which was an account with George W. DeLong, and his receipt for weekly payments. "There," said he, "that was in 1861. At that time he was in my law office, in New York, at a salary of \$3 per week. He was a bright, smart boy, and I took a great liking to him. He was crazy to enter the navy, and I saw the boy's The almost certain loss is reported of another Quebec trader, the bark Eastern Empire, about 175 tons, own-taste was strong in that direction. He attended the public school in Greenwich to the public school in Greenwich

street, and his teacher gave a most excellent account of his studious character and bright scholarship. ter and bright scholarship. About that time Ben Wood was in Congress and appointed some lad to the Naval Acadyears the Credit Valley road, which give it to me, Wood was a friend of mine, but when he made the promise The Mystery of Sage's Disap- The return of Dr. F.
