Great Britain Protests Action of Mexican Government

NO FURTHER **CONCESSIONS** TO BE MADE POSTAL MEN

Civil Service Commission Stands Pat on Salary Revisions.

OUTLINES REASONS

Claim Duty as Much to Taxpayers as to Men Directly Affected.

Canadian Press Despatch. Ottawa, June 16.—In a memo giving the reasons for the proposed new scale of pay for postal workers, the civil service commissioners say "they ave endeavored to discharge impar metns of the public service, and last but no means least, to the taxpayers of Canada whose rights and interests the commissioners deem no insignifi-cant part of their duty to protect against undue exactions in their be-

against undue exactions in their beshalf.

That the drastic changes in basic rates requested by the postal employees as well as the substantial increase in basic rates proposed by the department would in their application to the classification of the public service as a whole, involve a very large annual increase in the expenditure therefor.

ture therefor.

Reasons Outlined. The commissioners state that the in Canada in those most

In the opinion of the commissioners, however, such rates of compensation, subject as they are to periodic revisions by legislative authority the last of which occurred in 1920, and another now under consideration cannot be regarded as affording any competent basis of comparison with compensation adjusted by the methods prescribed by the civil service act of Canada.

The commissioners in preparing declared he was drunk at the time and had been short changed on a liquor deal with Turok.
