is an easily perceived symptom of failing vision. Don't put off from day to day, from month to month, the examination that you need to save you perhaps from serious illness.

Cottons, Hose and Gloves

With clothing for the small child are all remembered in today's list

High-Grade Sheets and Sheetings

The good housekeeper takes equal pride in her bedding supplies as her table linen. The daintiest guest room, however decorations display good taste, is a failure if the sheets and pillow cases are of poor bleach, coarse and cheap looking. We are just now making a feature of our well-known, good quality cottons. We ask you to see these either for regular use, guest room or the bride-to-be.

Fine Quality Hemstitched Sheets, made of famous British cloths, perfect in bleach, weaving, finishing and hemstitching; that lovely linen finish, permanent after repeated laundering; 72x90 inch, \$5.50 pair; 80x100 inch, \$6.50 and \$8.50 pair.

We also show you an excellent Wabasso Sheet, large size, nicely hemstitched; 80x100 inches \$6.98 pair

Pillow Cases, made of selected cotton to go with these Sheets. All have linen finish and the hemstitching is perfect; 42 and 44 inch \$1.25, \$1.50 and \$2.00 pair

Hand-Hemstitched Sheets, a real wedding gift here. There are two rows of plain hemstitching with one fancy in center. The sheeting is just delightful. It feels and looks like linen, but it doesn't muss so soon.

Three-quarter or twin bed size, 72x90 in. \$8.50 pair

Full double bed size, 80x100 in. \$10.50 pair

Main Floor.

RELIABLE FURS

Of quality should all have the maker's label attached and that name should stand as a guarantee to the wearer for perfect satisfaction.

In purchasing garments from us you are assured of getting that guarantee as our **FACTORY LABEL, ROSS' LIMITED**, is attached in every case.

In purchasing furs at second-hand and not direct from the maker you face the disadvantage in the first place of having two profits added to the price, and in the next place the seller of the garment has no personal responsibility or supervision over the skins used in the article.

From Maker to Wearer Direct saves money and guarantees satisfaction. This is our method.
