INDIANS' SPEED LEAVES GREEN SHIRTS BEHIND

Stratford's Combination Too Much For Kitchener Big Four Crew.

TWIN CITY VICTORS

Upset Dope and Slip Varsity 6--4 Loss in Toronto

Stratford, Jan. 8 .- To the joy of 2,200 Stratford fans the Indians defeated the Kitchener Green Shirts, here tonight

Kitchener showed occasional bursts of speed and had the advantage in weight, but fell considerably behind constant speed and condition.

Boring in with all the dash usually witnessed toward the end of the season the visitors had easily the better of it in the first period, however Kelterborne and Carson were checket to a standstill for the twenty min utes. Green Shirts made their only tally of the first period after 16 min outside defence and puck slipped in

off Dolson's glove.

The Indians opened the second with an effort that dazzled. The pace began to tell on the Green Shirts very soon, and with the help of Nifty Griffin, Stratford's only sub used, two goals were scored. The second two goals were scored. The second two goals were scored. The second came eight minutes later when Griffin slipped in a rebound from Carson's shot after plunging recklessly past Masters and Karges.

The kind of combination that is scheduled to make the Indians famous this season was delivered in the last period. Kitchener tried in vain to keep pace constantly, Erb and Karge working hard, but were held in stiff check. Ashley, Carson, Berger and Kelterborne worked like a machine Carson scoring in 9½ minutes after a pretty end-to-end combination with Berger, and again in 151/2 minutes.

Karges dropped a neat counter in at 12 minutes on a short lone rush. Kitchener.
