Already the principal streets present a gay and festive appearance, and each hour adds to this effect as the staff of workmen employed on the decorations get more and more of the thousands of small flags and festoons of bunting in

position.
Many private firms have added very Many private firms have added very materially to the spectacular features of the thoroughfares by the liberal use of the national colors, and evergreens in ornamenting their show fronts. Of course the piece de resistance of the occasion will be the brilliant illumination of the Parliament buildings by thousands of incandescent lights. Across the main entrance and well up towards the dome on a huge black back ground, the word "Edward" has been worked in white electric light bulbs, and will from its size and height prove a most effecwhite electric light bulbs, and will from its size and height prove a most effective and brilliant piece of work. The electrical display on these buildings will be in the hands of the Hinton Electric company, which is a guarantee that a fine display will be the result. As usual the outlines of the buildings, including the copper-covered dome will be all outlined in tiny specks of light.

The fact that there will be no shamfight or other similar military exhibition will detract in a measure from the eclat of the occasion. But nevertheless there will in a measure be reparation made for this unusual histor. The Ouke of Connaught's Own Rifles, from Vancouver,

CLUB REGATTA.

Programme Completed For the Acquatic Part of the Coronation Celebration.

To help in the celebration of Coronation Day, the J. B. A. A. will hold their annual regatta on Saturday morning. commencing at 9:30. Every arrangement has been made to make this one of the most satisfactory of the many attractions of the day. The chief event will be the club fours, in which there will be nine heats. Besides this there will be junior and senior singles, dingy and

THE EXCURSIONS. Spokane Will Not Be Run From Seattle

as Expected.

The Spokane, the excursion steamer of the P. C. SS. company, will not make an excursion trip from Seattle to this city on Coronation Day, as was expected, the P. C. SS. company having decided not to run the steamer. Arrangements had been made for the Spokane to bring a crowd here, and from the inquiry made, it was shown that the steamer would have had a full complement of passengers, but it would have meant that the crew of the steamer would have had a full complement of passengers, but it would have meant that the crew of the steamer would have to be kept for four days more than otherwise, and boarded for that time, and in view of this expense, the company decided not to run the excursion. The steamer Spokane has completed her excursion trips to Alaska, and yesterday her crew commenced to dismantle her preparatory to tying the steamer up at Seattle. It was expected that the steamer would be continued on the Alaskan route in the stead of the steamer City of Topeka, but the business being slack on that route, it was decided not to make the change.

The steamers Majestic and Rosalie will make excursion trips from Friday, when the Majestic, which usually ties up on that day, will make an extra trip. Passengers will be carried for \$1.50 for the round trip, the tickets being good over four days. During the Elks' carnival at Seattle, tickets will be sold covering the entire two weeks on either the Majestic or Rosalie for \$1.50 for the round trip. Special rates and trains will also prevail on Friday, Saturday and Sunday on the E. & N. and V. & S. railways and the Yosemite will make a special trip from Vancouver.

CORONATION SPORTS. Number of Events That Are to Take Place on Saturday Afternoon

make a special trip from Vancouver.

Besides the J. B. A. A. regatta, there will be a number of interesting sporting events on Saturday. Not the least important is the lawn tennis tournament, the finals in which will be played on that day. These events are always keen by contested and this year will be no exception, as there are a number of applicants for championship lacrosse match, Victoria v. Vancouver, to be played at the Caledonia grounds at 10 a.m.; the baseball match, Victoria v. Levitas, at 3 p.m., at Oak Bay park; a cricket match between Victoria and the Barracks team, also in the afternoon, another at the barracks between Victoria and the Barracks team, also in the afternoon, and the boxing it of the content of th and Evening.
