MRS. JOHN McRAE

The death of Mrs. John McRae, whose maiden name was Mary McRae, occurred at her home St. Godfrey, Que (Nouvelle), on Tuesday morning Aug. 9th 1910 at the age of 66 years six months and five days. Mrs. McRae had been ill for several months suffering much at times but bearing all with calm resignation. Deceased left a husband three sons and three daughters to mourn the absence of a dutiful wife, a kind and motherly mother. The funeral took place on Thursday afternoon to the Presbyterian church, Hopetown, Que., many friends and acquaintances attending, and from thence to the cemetery not far away. The Rev. George P. Tattre, pastor, conducted the service. The hymn, "Now the laborers task is o'er" was sung at the house of mourning. "Asleep in Jesus" and "Take Comfort Christians," were sung at the church. And I heard a voice say, write, Blessed are the dead who die in the Lord.

I. C. R. BOARD OF MANAGEMENT INSPECT I. R. R.

The I. C. R. board of management was in Campbellton last week, and left in their private train of four cars on an inspection trip over the Intercolonial Railway. Mr. Thomas Malcolm, conductor of the road and a few friends accompanied them.

Therun through from Campbellton to St. Leonards was made in good time, and in an interview with the Fredericton Mail, Mr. Campbell is reported to have said the road was in good shape.

The Mail says: The I. C. R. board of management arrived in the city at about 12:30 in a special train of four cars, which came over the C. P. R. from St. Leonards. The board is making a regular inspection of the line of the I. C. R. and also the branch lines. Mr. Campbell, deputy minister of railways, was one of the party. Other members of the party were Messrs. Pottinger, Brady and Tiffin of the Board of Management, Mr. W. A. Bowden, Chief Engineer of the Department of Railways and Canals, Ottawa, W. B. McKenzie, Chief Engineer of the I. C. R., and R. W. Simpson.

Mr. Campbell informed The Mail that the inspection of the International Railway from Campbellton to St. Leonards was completed, St. Leonards being reached at 6 p. m. The road is in good condition and runs through a country which though scarcely settled, is heavily wooded and capable of great development.

The Board will report on the advisability of the I. C. R. taking it over.

Good, Better or Best? A VITAL DIFFERENCE IN BREADS

QUALITY you know is comparative. Just as much so in bread, as in woollens or linens.

If you make bread at all you naturally want it to be good—as good as, or better than your neighbor's. But is your bread as good as it ought to be? Does it furnish its full quantum of health and strength? Is it nutritious as well as delicious?

Ordinary flour may make fairly good looking bread. But if you care for food value, for nutrition, for digestibility, for bone and muscle and blood building quality, you will want a flour rich in the highest quality of gluten.

"ROYAL HOUSEHOLD" is the finest flour in the world and makes the best bread in the world.

And it is just as good for Pastry as it is for Bread. It is the one flour which has proved an unqualified success for every household purpose. And its absolute uniformity guarantees you against failure—ROYAL HOUSEHOLD FLOUR is made of Manitoba Red, Fyfe Wheat, which is especially rich in high quality gluten. It is scientifically milled in the finest mills in the British Empire and samples are regularly subjected to the most exacting of all tests, the oven test, to insure uniformity. "ROYAL HOUSEHOLD" always makes the finest and most nourishing bread, the lightest, flakiest and most healthful pies, cakes, biscuits, muffins, rolls. Order "ROYAL HOUSEHOLD" at once. Don't delay. The sooner you commence using this finest of all flours the better for your family. 22
