THE MUSKOKA LUMBER CUT.

mer Years.

The cut of pine logs during last winter south of the Muskoka and on the rivers tributary to the Trent waters, was fully up to that taken out for some years, both in quantity and quality. There was a good upply of snow that came early and lasted well, though the hauling facilities would have been improved had the snow not een so loose and packed better. On the whole, however, the season was favorable. The following figures give a pretty close estimate of the log crop of 1884:

The Dickson estate placed on the Gull river waters 35,000 logs, that will cut 3, 200,000 feet of lumber.

200,000 feet of lumber.

Mossom Boyd & Co. have taken out on the Burnt river 60,000 logs that will make at least 7,000,000 feet of lumber.

R. C. Smith takes from the townships of Glamorgan and Stanhope 57,000 logs, or 6,800,000 feet of lumber. Mr. Smith reduced his operations this season on account of having a large stock of logs left on hand from last year.

of having a large stock of logs left on half from last year.

Ullyott & Sadler, Gull river, 16,000 logs, or 1,800,000 feet of lumber.

R. and G. Strickland, Gull river, 40,000-logs, or 5,200,000 feet of lumber. In addi-tion to their logs and a quantity of small timber in Oakly, this firm made 1400 pieces of timber in Hindon and Ridout of a very superior quality, large and clean and well made.

made.

The Georgian Bay lumbaring company, on Trading lake, 95,000 logs, or 17,000,000 feet of lumber.

Greene and Ellis, Burnt river 20,000 logs, or 2,400,000 feet of lumber.

W. J. Trounce & Co., Burnt river, 30,000 logs, or 2,700,000 feet of lumber.

McArthur & Thompson, Burnt river, about 2,500,000 feet.

I. Gould, Gull river, about 2,500,000 feet.

feet. This figures up the harvest to about 413,000 logs, or something like 51,100,000 feet of lumber. For Table Linens and Napkins go to the Bon Marche, 7 and 9 King street east. Farley & Co.

George W. Curtis on Dickens. "Ours is much the great age of Eng lish fiction as the age of Queen Elizabeth was the age of the English drama. Our stories have become a moral force in modern civilization. They have a strict conscious purpose, of which in the drama there is not a trace. The story teller takes his place with the statesman and the orator, and no longer courses in Grub street. Charles Dickens made the English novel the voice of the poor and the wretched. He brought the slums into the palace of power, Dickens' philosophy was externally characterized by great good sense. Dickens' works have more animal spirits than any other. His vitality overflows and animates every object. There is no inanimate nature in his world. He was a was the age of the English drama. Our
