The water difficulty in East Toronto has been adjusted. Consumers of water by meter will for the future be allowed a discount of 50 per cent. on the price charged, namely, 20 cents per 1000 gallons, if accounts are paid promptly. This question has long been a "burning" one in the willage, as the price charged to ordinary consumers was but 10 cents.

St. Alban's choir boys, under Mr. D. Kemp, are having a good time at Kew Beach, as are those of St. John's at Howard's Farm.

Dr. McConnell to Be Buried in Toronto.

The Acting Supreme Chief Ranger received a cablegram yesterday stating that the remains of the late Dr. McConnell would leave England this morning by the boat Austrian of the Allan Line, which will arrive in Montfeal somewhere about the 20th. Further instructions regarding the wishes of the Foresters in England concerning the funeral arrangements, etc., to be carried out here will be received by the next English mail. Upon the arrival of the remains here the brother will be buried with full Forestric honors, and, it is expected a large number from the surrounding districts and cities will be present at the funeral, as the doctor was so well and widely known.
