[Spectator.]

B. B. Hardwick discovered when he went to Halifax last week, that this was his 35th consecutive attendance at the opening of the Legislature, instead of 33rd or 34th as should have been the figures last issue.
That the race is not always to the swift, especially when the other fellow has advance information, was illustrated last Saturday in Halifax, when two prominent Annapolitans caught the train for home. The elderly gave up the idea of getting a taxi and in spite of his years and his rheumatism, started early and waded through the snow in time to make himself quite comfortable aboard the train before the other passengers arrived. The younger and more sprightly, unaware in advance of the street car strike, succeeded in catching the train by a matter of seconds.

Refreshments were served, after which her friends wished her many happy returns.

KARSDALE

March 5th
We are sorry to report Mrs. Russell Longmire very ill.
The community was startled on Friday evening, when the news spread that Joseph Croscup had passed suddenly away at the residence of his uncle, Gilbert Shafner, sr., where he had gone to make a call. Mr. Croscup had been in his usual health up to his departure and passed away whilst sitting in a chair conversing with his uncle. Not five minutes elapsed from the time he was stricken until he was no more. He was the youngest child of the late William Croscup, Esq., and was born in July, 1854 in this place. He was a kind hearted, obliging neighbor and very highly respected by a large circle of friends. He is survived by a widow, three sons and three daughters. One of the sons is overseas, another resides in Lynn and Howard on his farm here. The funeral took place on Sunday, Rev. Mr. Brindley conducting the service at the house and Rev. Mr. Leggo at the grave, the interment being in the Episcopal cemetery. We deeply sympathize with the bereaved family.

Sherman, on behalf of the society, welcomed the special guests. Several patriotic selections were rendered during the evening, with the assistance of little Walter Ditmars and Frederick Berry. Capt. Frank Spurr gave a very interesting account of his travels for two years in the war zone. He was in London during one of the terrible air raids, where so many women and children were killed and wounded. Pte. Onslow Berry spoke of his work (cooking) in the army. Rev. A. N. McNinch gave a very fine address, and a pleasant evening closed with singing the National Anthem.

A Quick Relief for Headache

A headache is frequently caused by badly digested food, the gases and acids resulting therefrom are absorbed by the blood which in turn irritates the nerves and causes painful symptoms called headache, neuralgia, rheumatism, etc. 15 to 30 drops of Mother Seigel's Syrup will correct faulty digestion and afford relief.

Proof that Some Women do Avoid Operations

Mrs. Etta Dorion, of Ogdensburg, Wis., says:
"I suffered from female troubles which caused piercing pains like a knife through my back and side. I finally lost all my strength so I had to go to bed. The doctor advised an operation but I would not listen to it. I thought of what I had read about Lydia E. Pinkham's Vegetable Compound and tried it. The first bottle brought great relief and six bottles have entirely cured me. All women who have female trouble of any kind should try Lydia E. Pinkham's Vegetable Compound."

How Mrs. Boyd Avoided an Operation.

Canton, Ohio.—"I suffered from a female trouble which caused me much suffering, and two doctors decided that I would have to go through an operation before I could get well.
"My mother, who had been helped by Lydia E. Pinkham's Vegetable Compound, advised me to try it before submitting to an operation. It relieved me from my troubles so I can do my house work without any difficulty. I advise any woman who is afflicted with female troubles to give Lydia E. Pinkham's Vegetable Compound a trial and it will do as much for them." Mrs. MARY BOYD, 1421 6th St., N. E., Canton, Ohio.
