PLYMOUTH ROCKS.

It gives us much pleasure to present to our readers this month, the above beautiful representation of a pair of Plymouth Rock fowls, which was made for our enterprising and successful young breeder, G. H. Pugsley, of Fisherville, Ontario, by a celebrated Philadelphia artist. The majority of electrotypes which appear in poultry journals are ideal, and represent the breeder's or artist's ideas of what first-class specimens of the variety should be. The above may not be an exception to the
