

Would You Miss Me?

If within my grave I lay,
Would you miss me much?
Would you miss, with yearning pain,
The voice and touch?

Borrowing Trouble.

Once upon a time there was a man
and a woman who planned to go and
spend the day at the house of a friend
some miles away from their own.

When a Character is Made.

Youth is the period of life when character
is made. Many young men have
deluded themselves with the idea, that
the evil life they are now leading is but
a temporary matter.

Remember, old boys and old girls, that
you owe a certain duty to the young
boys and young girls that are your
schoolmates—the duty of setting the
best example that you possibly can in
all things.

Little Ruth is All Right.

An unpleasant story has been printed
in newspapers in various parts of the
country to the effect that little Ruth
Cleveland, who is now with her mother
in Buffalo, visiting at the home of Mrs.
Cleveland's mother, Mrs. Perrino, is deaf
and dumb; worse yet, that her mental
powers are of a very low order.

A Grateful Stork.

A story of a stork is told by a German
paper. About the end of March, 1891, a
pair of storks took up their abode on the
roof of the school-house in the village of
Poppenhofen. One of the birds appear-

How to Master Your Temper.

Starve it; give it nothing to feed on.
When something tempts you to grow
angry do not yield to the temptation. It
may for a minute or two be difficult to
control yourself to do nothing, to say
nothing, and the rising temper will be
obliged to go down because it has
nothing to hold it up.

Be Cheerful.

Don't sit in a corner and moan because
things are not going as you would like.
A disagreeable fact. Try to extract some
grain of comfort out of your adversities.
Never despair. Under whatever circum-

will be closed at noon.

Pupils are not to be excused from the

except on account of sickness, without per-
mission of the Superintendent.

Teachers, Officers and others are not to
allow matters foreign to the work in hand to
interfere with the performance of their
several duties.

Visitors:

Persons who are interested, desirous of visit-
ing the Institution, will be made welcome on
any school day. No visitors are allowed on
Saturdays, Sundays or Holidays except to
the regular chapel exercises at 2.30 on Sun-
day afternoons. The best time for visit-
ation on ordinary school days is as soon after 1.30
in the afternoon as possible, as the classes
are dismissed at 3.15 o'clock.

Admission of Children:

When pupils are admitted and parents come
with them to the Institution, they are kindly
advised not to linger and produce hav-
ing with their children. It only makes
discomfort for all concerned, particularly for
the parent. The child will be tenderly cared
for, and left in our charge without delay
will be quite happy with the others in a few
days, in some cases in a few hours.

Visitation:

It is not beneficial to the pupils for friends to
visit them frequently. If parents wish
coming, however, they will be made welcome
to the class-rooms and allowed every oppor-
tunity of seeing the general work of the
school. We cannot furnish lodging or meals,
or entertain guests at the Institution. Good
accommodation may be had in the city at
the Hoffman House, Queen's, Anglo-American
and Dominion Hotels at moderate rates.

Clothing and Management:

Parents will be good enough to give all direc-
tions concerning clothing and management
of their children to the Superintendent. No
correspondence will be allowed between
parents and employees under any cir-
cumstances without special permission upon
each occasion.

Sickness and Correspondence:

In case of the serious illness of pupils letters
or telegrams will be sent daily to parents or
guardians. IN THE ABSENCE OF LETTERS
FRIENDS OF PUPILS MAY BE QUITE SURE THEY
ARE WELL.

All pupils who are capable of doing so, will
be required to write home every three weeks.
Letters will be written by the teachers for the
little ones who cannot write, stating, as nearly
as possible, their wishes.

No medical preparations that have been
used at home, or prescribed by family phy-
sicians will be allowed to be taken by pupils
except with the consent and direction of the
Physician of the Institution.

Parents and friends of deaf children are warned
against Quack Doctors who advertise medi-
cines and appliances for the cure of deaf-
ness. In 99 cases out of 100 they are frauds
and only want money for which they give
no return. Consult well known medical
practitioners in cases of deafness and be
guided by their counsel and
advice.

Superintendent.
