

them!" In every church may there be a Barnabas and Saul ready to obey the Spirit's promptings!

Face to face with two hundred and eighty-four millions in this land, for whom in this generation you as well as we are responsible, we ask, Will you not speedily double the present number of labourers?

Will you not also lend your choicest pastors to labour for a term of years among the millions who can be reached through the English tongue?

Is this too great a demand to make upon the resources of those saved by omnipotent love? At the beginning of another century of missions in India let us all "Expect great things from God—attempt great things for God."

For the reflex blessings to yourselves, as well as for India's sake, we beseech you to "hear what the Spirit saith unto the churches." The manifestation of Christ is greatest to those who keep His commandments, and this is His commandment—

"GO YE INTO ALL THE WORLD AND PREACH THE GOSPEL TO EVERY CREATURE."

FROM MISS M'WILLIAMS.

Indore, Jan. 2, 1893.

We are having such pleasantly cool weather here now, and, during the past week, have had rain about every second day. Small showers, called "Mango showers," are not at all uncommon at this season, but heavy rain, such as we have been having, is very uncommon.

Last Wednesday Miss O'Hara's and my first year in India was ended. We have both had such good health all through. I
