PROCEEDINGS OF THE SYNOD.

(Continued from our last.)

NOTICES OF MOTION.

27. Dr. BOVELL.—Whereas there are in this Province certain lands, or glebes, known as the Dorchester Glebes, which were set apart at the early settlement of the country for Church purposes, and which were appropriated to the Church, and are now in the hands of the Church, or claimed by the Church as the most lawful

claimant of said lands, yet without having received a patent for said lands; and it being very desirable that a clear and permanent title to the said lands be obtained, and the Government may not think it expedient, or feasible, to complete the title of said lands by granting free patents, the Synod hereby respectfully requests the Lord Bishop to appoint a Committee for the purpose of applying to the Government for the purchase of the said glebes, at the former valuation, and also to direct that a special collection be made in all the Churches for the purpose of raising the necessary funds.

28. Mr. HILTON.—Notice is given that it will be moved that the Synod do address his Lordship, requesting him to send a circular to the different parishes, impressing upon them the necessity of sending the entire amount raised in the different parishes to the head-quarters of the Society at Toronto.

CONSIDERATION OF MOTIONS.

The Rev. Mr. FLETCHER moved, and Dr. FLETCHER seconded,
That this Synod respectfully request his Lordship the Bishop of the Diocese, to appoint deputations to hold meetings in the several parishes within the Diocese, in order to set forward the claims of the Church Society, and, in conjunction with the parochial authorities to establish associations in connection therewith, where they are not already established, in accordance with the spirit of the resolution adopted by this Synod at its last Session.—Carried

Dr. BOVELL announced to the Synod that the sum collected at the offertory, at St. James's Cathedral, at the opening of the Synod, for missions in India, amounted to £109 15s. 9d.
Synod adjourned at six o'clock.

REPORT OF CENTRAL BOARD FOR SUSTENTATION FUND.

J. W. GAMBLE brought up the following report from the Central Board for Sustentation Fund:
The Committee appointed by the Lord Bishop of Toronto, to act as a Central Board, under his Lordship's direction, for apportioning all moneys raised for the Sustentation Fund, beg to report,—
That by sutamons from the Lord Bishop, they held their first meeting in Toronto, on Thursday, the 10th February last, when the following grants were made and sanctioned by the Lord Bishop: To the Revs. W. A. Johnson, Weston; J. Carry, Woodbridge; C. L. Ingles, Drummondville; J. Parnell, Mirickville; J. A. Preston, Rawdon; R. C. Boyer, Hillier; the sum of One Hundred and Fifty dollars each, for the year 1859, commencing from the first of January.

They held their second meeting on Wednesday, the 11th May last, when the following additional grants were made, viz.: to the Revs. S. Briggs, Nanticoke, J. W. Davidson, Newboro, each One Hundred and Fifty dollars; for the same period and from the same date to the Rev. P. S. Warren, of Lakeside, on condition that it be certified that a sum not less than One Hundred and Fifty dollars has been paid to this Reverend gentleman by his parishioners for the same period.

The sum of Twelve Hundred dollars has therefore been actually ordered to be paid from this

fund for the present year, and One Hundred and Fifty dollars further, conditionally promised; making in all \$1,350, and leaving somewhat more than \$300 still to be disposed of, and for which applications have subsequently been received by the Chairman of the Board.

All which is respectfully submitted.

A. N. BETHUNE,
Chairman.

Dr. BOVELL moved, and the Rev. R. V. ROGANS seconded,

THE PETITION.

Of the Right Rev. the Lord Bishop of Toronto, the Clergy and Lay-representatives of the United Church of England and Ireland in Synod assembled.

Humbly sheweth—That there are a number of unhappy persons in this Province who, from indulgence in the habit of drinking intoxicating liquors to excess, have reduced themselves to a condition which has, on the highest authority, been declared to be "Insanity," ending not unfrequently in their own ruin and sudden destruction, but also in furnishing inmates to our Lunatic Asylums in the persons of their unhappy wives, and their still more unfortunate offspring.

That experience has proved that many of our fellow creatures guilty of intemperance would be saved, if they had an opportunity of retreating to some Asylum where they would be properly administered unto, and the habit of intemperance broken, by removal from the possibility of yielding to their strong temptation.

We therefore pray that it may seem good to the Legislature to make provision for inebriates, by the erection of suitable buildings, and such other means as may be adequate to carry into effect a system of reclamation.

And with a view to stamp with disapprobation so grievous a sin, we further pray,

That an act may be passed declaring persons known to be, or who may be proved to be habitual drunkards, disqualified from holding any public appointment, and that inebriate persons shall, on conviction before some qualified court, be declared to be incapable of managing their own affairs, and that their property be placed in trust for the benefit of their families or themselves, as is the case with those who labour under other forms of insanity.

And your petitioners will ever pray.

Rev. Dr. BEAVER moved, and the Hon. J. H. CAMERON seconded the following resolutions from the

COMMITTEE ON CANONS.

That the report of the Committee on Canons be adopted.
