

THE annual gathering of the Moulton Alumnæ is being anticipated with great interest. Every effort is being made to secure the attendance of all the members who can possibly come, and the programme for their entertainment contains several novel and interesting features.

THE final meeting of the Heliconian was held on May 22nd, when the following programme was presented; Song, Miss Boehmer; Recitation, Miss Cornell; Story, Miss Rosser; Observation Contest, members of the society; Piano Solo, Miss McKay; Heliconian Paper, Misses Cornell and Dyer.

THE final meeting of our Mission Circle took place on May 15th, when the following exercises, interspersed with music, were rendered: Paper on "The Condition of the Indians," by Miss Wallace; Reading, "A General Presentation of Scandinavian Work," by Miss Rosser; Paper on "Our Missionary Among the Indians," by Miss Cornell; Reading, "A Foreign Missionary at Home," by Miss Mayberry. The meeting was both interesting and helpful, and the Treasurer's Report for the year, which was read during the evening, was very encouraging.

THE following letter, issued on May 20th, by Rev. Donald Grant, of Montreal, to his church and congregation, will possess much interest for our readers: "Your pastor takes pleasure in announcing to you and your friends that on the 17th of June next, he will, D.V., be united in marriage to Miss Alice Maud Dunning Fitch, of Wolfville, Nova Scotia, at the residence of the bride's parents. He sincerely hopes that the contemplated union may be for the glory of our Common Lord and the welfare of the Church, as well as for the happiness of those entering upon it."

#### WOODSTOCK COLLEGE.

"Kith and Kin Across the Sea" was the theme of a delightfully entertaining lecture on Friday evening, May 1st, by Rev. Chas. A. Eaton, pastor of the Bloor St. Baptist church, Toronto. In rapid sketches the speaker took his hearers across the green fields of old England, into her famous halls of learning, north into the land of Burns, to Glasgow, Edinburgh and back to London, the world's emporium. Conditions social, political and religious were outlined and commented on; and the lecturer closed with an earnestly eloquent and patriotic appeal, especially to young men, as an aim worthy of their highest ambition, to lend a hand in consolidating the peace and good-will of the great English-speaking peoples. The lecture was listened to throughout with the most intense interest and delight by the large audience present. Mr. Eaton made many friends during his short stay in Woodstock.
