THE FIFTH ANNUAL REPORT OF THE ONTARIO CHRISTIAN WO-MAN'S BOARD OF MISSIONS.

To the sisters convened at Bowmanville, June 1st, 1892 :-

It appears but a short time since we took leave of each other in Toronto, and still the month of June reminds us that a year has elapsed since that tender, tearful parting. What record hes that year borne for each of us to the throne of the Eternal! How much of sacrifice, of self-denial for the sake of him who, though rich, for our sakes became poor! At the thought of our many acts of selfishness and forgetfulness we might well feel discouraged were it not for the blessed assurance that he knoweth our frame; he remembereth that we are dust; and "Like as a father pitieth his children, so 'he Lord pitieth them that fear him." He does not demand absolute perfection in our lives, or we might give up the atruggle. All he asks is faithfulness, with the glorious promise, "Lo I am "th you alway, even unto the end of

We started out on our last missionary year with an obligation of \$525, viz, Owen Sound building fund, \$50; Minnedosa building fund, 890; Bro. J. B. Lister's selary, \$300; Sister Jessie H. Brown's travelling expenses, \$25; sisters of the Cecil St. church, Toronto, \$50, all of which has been met. In addition to this the Address of Sister Jessie H. Brown enthused the sisters to such an extent that pledges for foreign work were called for, and with in a few minutes \$145, in sums vary ing from one to twenty dollars, were subscribed with the request that a sister should be appointed in each church to solicit aid to supplement this fund. Dear sisters .- The beginning of our foreign missionary work in these provinces dates back only to one year ago, when at the Annual Meeting in Toronto a brother and sister from St. John, after listening to the stirring missionary appeals and being requested by your Prov. C. W. B.
