JOSEPH RUSAN, Percy, writes: "I was induced to try Dr. Thomas' Electric Oil for a lameness which troubled me for three or four years, and I found it the best I ever used. It has been a great blessing to me." Frauds may imitate Dr. Thomas' Electric Oil in appearance and name, but in everything else they are dead failures.

For sufferers from rheumatism, 25 pp. pamphlets, 12mbdies, helpfully illustrated stamp—Dr. J. J. Thomas, 290 Race St., Cincinnati, O. (old office.) State case.

CAUTION.—We advise all who are afflicted with a cough or cold to beware of cheap and all medicines that smother and block a cough suddenly, as serious results may follow. Hayard's Pectoral Balsam loosens and breaks up coughs and colds in a safe and effectual manner.

ADVICE TO MOTHERS.—Mrs. Winslow's SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer by producing natural, quiet sleep by relieving the child from pain, and the little cherub as "bright as a button." It is very pleasant to take. It soothes the child, softens the gums, relieves all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

Mr. JOHN MAGWOOD, Victoria Road, writes: "Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure is a splendid medicine. My customers say they never used anything so effectual. Good results immediately follow its use. I know its value from personal experience, having been troubled for nine or ten years with Dyspepsia, and since using it digestion goes on without that depressed feeling so well known to dyspeptics. I have no hesitation in recommending it in any case of Indigestion, Constipation, Heartburn, or troubles arising from a disordered stomach."

PIANOS FOR THE GOVERNOR-GENERAL OF CANADA.

We see by the Ottawa Citizen that two pianos of the celebrated factory of Wm. Knabe & Co. have just been selected for His Excellency the Marquis of Lansdowne. One was a magnificent Grand "Knabe" in elegant rosewood case, the other one of their Upright Cabinet Grand. The tone, touch and workmanship of these instruments are described as being perfect. The most thorough judges were employed to make the selection, one of them being Mr. E. Harris who, previous to leaving England, held the high appointment of Local Examiner to the Royal Academy of Music, London.
