

THE OLIVER TYPEWRITER

The Invoice and Statement work that can be done on the **OLIVER**, is beautiful to look upon, and costs so little to do, that, putting it broadly, an Oliver Typewriter will save you the wages of at least one invoice clerk, and reduce the chance of error. THE LIFE STORY OF

FINLAY BOOTH.

BY REV. HAMILTON WIGLE.

Cloth, Illustrated, 60 Cents.

This is a most interesting account of the experiences of a young Canadian, who, lost on the Manitoba prairies during a blizzard, was so terribly frozen as to necessitate the amputation of both his hands and his feet. The story of how, undaunted by this awful misfortune, he set himself to the task of self-support is really inspiring. The author has arranged that the profits of sale go to the benefit of the unfortunate but brave-hearted man.
