A NEW YEAR'S THANK-OFFERING. A LIBRARY  
FOR THE ORPHANAGES IN INDIA.

We are glad to notice that the Orphanage Scheme is receiving wide support. We are satisfied that it will prove of much service to our Church and we hope that other schools and individuals will imitate the example, so well set by several schools. The amount required, £1 per annum, is surprisingly small, and can be easily raised by almost any school, however small in numbers. Still as there may be some of our readers, who have not an opportunity of contributing to this interesting Juvenile Mission, we intend to afford to all the children of our church an opportunity of aiding this work. For some years, the Juvenile Record of our Church in Scotland has taken up a holiday collection for some benevolent object, and two or three years ago, under its guidance, the children sent to Madras, a valuable Library with maps, globes, &c. for use in the schools there. We think our children might well imitate their example, and we therefore invite our readers to send to the Editors of the Juvenile Presbyterian, Montreal, their mites for the purpose of presenting a Sabbath School Library, to the Orphanages of the Edinburgh Ladies Association at Calcutta and Bombay. If the amount received is not sufficient, it will be confined to one of these. We trust our young friends
