The Result of the Exhibition RECENTLY HELD IN HALIFAX

Proves unquestionably the **GREAT VALUE** of

The North British Cattle Food Co.'s NUTRITIOUS CONDIMENT

In the Feeding of Live Stock.

All the cattle which took the leading prizes, as well as the special prizes presented by the agent of the above Company, were really **SUPERB AND HANDSOME LOOKING ANIMALS,** and received the encomiums of all who saw them. As a consequence of the demand for the Condiment has increased a **hundred fold.**

Wherever used according to directions, this valuable article, never fails to produce the most satisfactory results. See pamphlets.

THE NUTRITIOUS CONDIMENT.

The Reporter says:—"This article has become an institution. Its great success and unlimited demand are victorious and have proved its efficiency; cattle to whom it is given are always in first-class condition, and a large per centage is saved in the cost of feeding by the use of this condiment, and they are less liable to be attacked by disease or plague; but, if attacked, it has been proved that they are most likely to escape fatal results; in fact, they enjoy an almost complete immunity from the ravages of any disease. Geo. Fraser, Esq., the managing agent for Nova Scotia, generously offered special prizes for cattle using this condiment, and the condition of the various animals entered for the following prizes was the best proof of the excellence and value of this celebrated and useful condiment, and furnished handsome testimony of its advantages. These facts are of interest to stock-raisers, and others owning cattle. The following is the list of **Ald. Fraser's** special prizes for the nutritious condiment:—Best and fattest ox, \$15, C. Baker, Amherst; best milch cow, \$15, 50, Colonel Starratt, Paradise, Annapolis Co.; fattest cow, \$12.50, Edwin Chase, Port Williams, Kings; fattest hog, \$10, Dr. Lawson, Lucyfield, Bedford; fattest sheep, \$10, P. Allison, Newport.
