Extracts from a Letter from C. H. S. Cronkhite, Esq. Canterbury Station. York Co., N.B., October 10th, 1876.

Mr. J. H. Robinson,

Dear Sir,—In reply to your letter of en-quiry, I would say that your Phosphorized Emulsion of Cod Liver Oil with Lacto-Phosphate of Lime is the best preparation of the kind I have ever seen or taken.

I was ordered by my physician to take it, and commenced about the last of Auguest, and since that time I have felt a different man, and also look differently, and all for the better, as the doctor can

testify.

I was unable, in the summer to walk I was unable, in the summer to walk any distance without much fatigue. I can now take my gun and travel all day, and feel first-rate at night, and eat as much as any lumberman. Have not bled any since I took your preparation, and can now inflate my lungs without feeling any soreness, and I think I can inflate them up to full measurement, same as before I was sink here also mind in fatter than the sink here sink here also mind in fatter to was sink here also mind in fatter. was sick; have also gained in flesh, my weight in the summer was 173 lbs. and now it is nearly 190 lbs., which is pretty well up to my former weight.

The foregoing is a correct statement which I am prepared to swear to, and I

hereby authorize you to give it publicity |

hereby authorize you to give it publicity in my name.

I am, dear sir, truly yours
(Signed) C. H. S. CRONKHITE.
We, the undersigned, hereby consent to have our names published as witnesses to the effects of Robinson's Phosphorized Emulsion on the person of Mr. Cronkhite and do assert that the foregoing statement is correct in every particular.

The increase in accumulated wealth of the Dominion from 1879 to 1884 is wonderful. The deposits in the chartered banks increased under the present tariff from Jan. 1st, 1879, to Jan. 1st, 1884, by the large sum of \$25,900,000. Taking the deposits in the various banks and the money invested in factories we find the accumu lated wealth of the country as thus indicated to be not less than \$100,000,000.
