

that even the apathy of seclusion cannot subdue? Oh, for my own part, should I fear the solitude that my own memory fills with the silence of a gloomy fancy filled with sounds long loved and lost for ever, far more than all the mischief that the laughing world in its worst malice could inflict upon me. I am no speculator in human nature," she added, re-igning in the flowing torrent of enthusiasm into which she had been betrayed, and speaking in an humble voice—"but if I have erred, your experience will set me right."

"So far from it," said Hamond, who was much struck with the manner of his fair companion—"you have told me secrets of myself, which surprise and startle me."

20 CHILDREN POISONED IN CINCINNATI.—Twenty children in Buckeye Street, a densely populated German neighborhood, were poisoned last evening, by eating lozenges which had been scattered along the street by a man and two boys whose names are unknown. Two of the children are dead, and many of the others not expected to live. The man was seen to offer lozenges to persons in the street; they having a suspicion that all was not right refused to take them. The lozenges on examination proved to contain equal parts of arsenic, sugar and flour. The cause of the perpetrating this horrible outrage is not known up to the present time. The wholesale murderers have not been arrested.

A DEACON EXPELLED FROM CHURCH FOR VOTING FOR BUCHANAN.—The Grand Rapids (Mich.) Inquirer contains a full report of the trial, conviction and expulsion from the Free Will Baptist Church at Alpine in that State, of Mr. Stebbins, the first Deacon of the Church, for the reason that he voted for slavery in voting for Mr. Buchanan for President.

LOLA MONTEZ AT NIAGARA.—The renowned Lola Montez is now spending a few days at Niagara Falls. She has appeared at the Buffalo Theatre as a sort of interlude to her season of pleasure. On Friday morning Lola took the train for Buffalo, and, without advice from any source, she seated herself in the baggage car to quietly puff her cigarette. While thus cosily throwing off from her lips the curling smoke, she was discovered by the conductor and informed that passengers were not permitted to ride in the baggage cars. She paid no attention to the intimation, but continued to smoke, as if no one had addressed her. Asst. Sept. Collamer was at the station, and was informed what Lola was doing. He said she must do as other passengers did, and that she could not be permitted to ride in the baggage car.—He called upon her, and politely told her that she must take a seat in one of the cars designed for passengers. Lola drew herself up into an attitude of defiance, and told the conductor that she had traveled all over the world, and had always rode where she had a mind to, and proposed to do so in this case. The conductor further expostulated with her and assured her that he was but executing the orders of the superintendent and the rules of the company. Lola replied that she had "horsewhipped bigger men than he." This settled the matter. The conductor withdrew and Lola was not again disturbed. She rode to Buffalo in the baggage car and had no occasion to use the whip. The railroad men did not care to further disturb the tigress.

THE "LIBERAL CATHOLIC."—A Liberal Catholic is a man, it seems, who takes liberties, and who defies the common sense of Christians; who sets at naught the merest elements of good taste, and comes within a hair's breadth of excommunication. There is a certain kind of excitement in walking on the brink of a precipice; but, in general, such amusements are practiced only by drunken men; people in their sober senses do not thus trifle with their lives. How long are we to go on cheating ourselves and scandalizing Christendom? There is really no difference between British Liberals and the Continental Freemasons; they are brethren in iniquity, and labour for the same end. Protestants, whether Liberal or Tory, are but obeying their vocation when they insult us, and we ought not to be surprised at what they do. But surely it is something of a very different nature when Catholics so far despise the principles of their profession as to become tormentors of their superiors? Many a man glories in the appellation of a Liberal, thinking it a slur upon his intellectual purity to be thought otherwise; but is this quite safe? The Liberals, as a party, have a clear end before them, towards which they drive with all their might; they hate Priests, religion, Sacraments, everything that reminds them of another world; but Catholics, in virtue of their profession, cannot have the same objects, yet nearly all Catholics ally themselves with the deadly enemies of the Faith, and help them in their schemes against all opponents.—Tablet.

INTERESTING TO THOSE SUFFERING FROM HEADACHE.

A CERTAIN REMEDY FOUND IN DR. McLANE'S CELEBRATED LIVER PILLS.

PREPARED BY FLEMING BROS. OF PITTSBURGH.

The following is a sample of certificates received daily from our own citizens: New York, August 1, 1857. This is to certify that I have been subject at times to severe headache; sometimes the pain would be so severe I could rest neither day nor night. Hearing of Dr. McLane's Celebrated Liver Pills, prepared by Fleming Bros., I sent and got a box, of which I took two pills on going to bed, for two nights. They relieved me entirely. Some time has now elapsed, and I have had no more trouble from sick headache.

M. JOHNSTON, 118 Lewis Street. Purchasers will be careful to ask for DR. McLANE'S CELEBRATED LIVER PILLS manufactured by FLEMING BROS. OF PITTSBURGH, PA. AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF Colds, Coughs, and Hoarseness.

BIRMINGHAM, MASS., 20th Dec., 1856.

DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Indigestion, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and by my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints.

A. B. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your PECTORAL myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

Brunswick, Mass., Feb. 7, 1856.

Another AYER: I will cheerfully certify your PECTORAL is the best remedy we possess for the cure of Whooping Cough, and the most distressing of all the ailments of the South appropriate your skill, and commend your medicine to our people.
