Insurance.

THE INVESTMENT ANNUITY POLICY  
—OF THE—  
**NORTH AMERICAN  
LIFE ASSURANCE CO.**

PROVIDES that at death, or if on the Endow-  
ment Plan, at the maturity of the endow-  
ment period, the Company will pay the  
amount of insurance in 20 or 25 equal annual  
instalments, the first of such to be paid on the  
occurrence of the event or at the expiration of  
the endowment period. This plan at once se-  
cures to the beneficiary an absolute guaranteed  
income for the period selected.

The particular features of this plan are not  
embodied in any other policy of insurance of-  
fered to the insuring public of Canada. It con-  
tains elements which no company has yet  
offered to the insured.

A much lower rate of premium is chargeable  
on it than on the other plans of insurance.

The favorite method of accumulating the  
profits is equally applicable to this plan of in-  
surance as to the other investment plans of the  
Company.

For further particulars apply to any of the  
Company's Agents, or to
