T. JAMES CLAXTON & CO.,

Caverhill's Buildings,
St. Peter St., Montreal

Mercantile Summary.

NEARLY 100,000 tons of coal were imported
at Toronto in 1871—all, we believe, foreign.

A LARGE addition to our present supply of
silver coin is promised to be distributed at once.
It is much needed.

A JOINT STOCK company has been formed at
Elora, with a subscribed capital of \$30,000, to
carry on this business of pork-packing there.

A MANUFACTURER in Elora has shipped a
quantity of sewing machines to British Colum-
bia; so says a local paper—a good proof that
our market, always complained of as being too
small, is being finely extended.

A CONTRACT has been let by the Grand
Trunk Railway Company for the erection of a
passenger station on their property on the es-
planade, between York and Simcoe streets, To-
ronto. Mr. R. J. Reekie is said to be the con-
tractor, and the price named is about \$200,000.

THE EXPORT trade in sugar shooks from S
John to the shipping ports of Cuba is steadily
increasing, and is quite important. The ship-
ments for six years compare thus:—In 1865-6,
481,416; 1866-7, 766,554 1867-8, 813,831;
1868-9, 999,548; 1869-70, 1,054,024 1870-71,
1,150,157.
