**E**VERY YEAR the number of churches using the "New Duplex" Envelope System is increasing, and once they use it they continue to do so. Why? Because it is a common thing to have the offerings to both Current Expenses and Missions under this system, increased from 50 to 100 per cent. and this is the only system of Church Finance that will do it. : : :

Introduce it in your Parish, we will supply you with literature that will help. Ask for it. : :
