## Dear readers: ¡Adios!

This marks the twelfth and final issue of **Access**. The publication was a component of the ongoing Access North America program, whose main purpose is to assist business seize the opportunities and realize the benefits of the NAFTA.

**Access** provided timely information and introductions to that market, particularly to Mexico, the newest player in continental free trade. We hope that the information has been of value to each reader, and we thank you for your many comments along the way.

Of course **CanadExport** will continue to keep readers apprised of news and opportunities in the markets **Access** has covered, and the InfoCentre will be able to offer assistance on useful publications and programs.

Best wishes (¡buena suerte!) in all your trading ventures.

## Access

**Access**, the newsletter of the new Access North America (ANA) program, is published monthly and only in *CanadExport*. Subscribers to *CanadExport* automatically receive **Access**. It examines opportunities for Canadian businesses, introduces some Canadians already operating in the Mexican and U.S. markets, profiles specific sectors, and notifies readers of forthcoming events related to doing business in Mexico.

Your feedback is welcomed; correspondence should be sent to **Access**, BCT, Department of Foreign Affairs and International Trade, Ottawa, Ont., K1A 0G2, or by fax, (613) 992-5791.

For further information on the program, or a copy of a brochure on Access North America, contact InfoCentre at 1-800-267-8376 (In Ottawa 944-4000).
