## **ABSTRACT**

The report *The Netherlands: Guidelines for Canadian Fish Exporters 1994* provides an overview of the Netherlands market for fish and seafood products, including information on various aspects of the Dutch economy and factors influencing fisheries imports into that market. Other information in the report includes: basic data; the Dutch seafood market in brief; country information; consumption habits; the domestic Dutch fishing industry; distribution; market access; documentation; trade contacts; importers/distributors/users; transportation; and statistics.
