

inoperative the ordinary machinery for putting a notice on the Order Paper. Honourable Members will note a similar procedure with respect to notice will be found in Standing Order 33.

Section (6) of Standing Order 15A reads in part as follows: "A motion of which a Minister has given notice under section (5) of this Standing Order shall be made during routine proceedings."

I suggest to honourable Members that I do not believe there is any doubt about these words "Routine Proceedings". They must be interpreted in the light of the recommendation made by the Special Committee on Procedure in 1955, which was concurred in by the House and recorded at page 944 of the *Journals* for July 12, 1955, as follows: "That motions for concurrence in reports of any Standing or Special Committee, for the suspension of any Standing Order, or such other motions made upon Routine Proceedings, as may be required for the observances of the proprieties of the House, the maintenance of its authority, the appointment or conduct of its officers, the management of its business, the arrangement of its proceedings, the correctness of its records, the fixing of its sitting days or the times of its meeting or adjournment shall be listed, when notice is required, called and disposed of under "Motions"."

In view, therefore, of the provision of the Standing Order and the interpretation which I think is the only one possible, I cannot accept the contention of the honourable Member for Winnipeg South Centre.
