

STANDING AND STANDING JOINT COMMITTEE ACTIVITY BY TYPE OF ORDER OF REFERENCE 1991/92

Of the total 846 meetings held by standing committees the following pie chart indicates the percentage of time spent in meetings on each activity. Sixty three percent of all meetings are held pursuant to S.O. 108(2) (3) and (4) this being the Standing Order enabling committees to initiate their own studies. Sixteen percent of all meetings are devoted to future business, and housekeeping meetings, etc. as defined by the category "others". The study of main and supplementary estimates take up two percent of all meetings.

Reference Type	No. of Meetings	%	No. of Reports	%
House Order of Reference	46.0	5.4	24	27.9
