HERBERT TO PITCH
THE OPENING GAME

Leafs Start International
League Season Tomorrow
at Richmond.

RICHMOND, Va., April 25.—The Toronto ball team arrived here tonight for the opening game Tuesday. It was a tough seven hours' run, a hundred in the shade, but apart from grime and what goes with it, the men are on their toes. They work out tomorrow morning for an hour. It looks like Herbert to pitch the opener. He is in splendid shape and the team is confident and happy. The line-up is likely to be the same as in the practice games, with O'Hara in the outfield, probably in place of Graham. That is not, however, decided yet. Wilson left Durham for Toronto to work at his home foot. Manager Clymer has decided to send him to a smaller league as soon as possible. His purpose is to make up his 16. He expects a big league pitcher to report to him, he hopes, here. He has until May 4 to decide whether he will buy Brown from Washington.

City Leaguers Battle

The Toronto City League got away to a good start Saturday afternoon at Scarborough Beach, with Mayor Church, President McCaffery, Lionel Godson, Knott, Lee and others assisting in the opening ceremonies. The second game proved to be a fine struggle and lasted twelve innings. Both Sharpe and Fursudom were in rare form. McLachrie in centre field for Park Nine had ten put-outs. The score:

BOSTON BRAVES
STOP PHILLIES

Saturday Features in the Major Leagues—Baseball Scores and Records.

PHILADELPHIA, April 24.—(National).—The Phillies were powerless before Tom Hughes today, while the Braves batted maver out of the box in three innings, and also found Oeschger rather easy, beating the Phillies for the first time this season by 10 to 2, and also breaking the row of eight victories of the Quakers. Hughes allowed seven hits, two being home run drives by Becker and Luderus. Schmidt and Moran hit the ball hard.

At New York.—The Giants lost again to the Dodgers, 5 to 7. It was the seventh straight defeat for the Giants. Once again it was a case of the lowly Dodgers coming from behind and overcoming a Giant victory. A great extent of the loss of yesterday's game is directly due to Matty. The once invincible twirler revealed little of his old-time skill, and the Dodgers, undaunted by his great reputation, treated him as they would some lesser light of the pitching realm. They reached him for eight clean hits, which were produced when his meant runs and three timely bingles, mixed with a quarter of errors, two of which were charged to Doyle, gave the Dodgers a comparatively easy victory.

At New York (American).—Two scratch hits, each of which would have been easy outs with perfect fielding, is all that stood between Ray Caldwell and a no-hit achievement over Washington. At that, the slim star of the Yankee revelers shut out the Senators, beat them 4 to 0 and was voted decidedly the better in a pitching duel with Walter Johnson.

At Cleveland.—Detroit won its eighth straight game when it defeated Cleveland, 6 to 0. Boland, Detroit's Southern League recruit, pitched brilliantly and received great support. He held Cleveland to five hits, scattered thru as many innings. Veach of Detroit made three singles and a double and received a pass in five trips to the plate.

At Buffalo (Federal).—The Baltimore Feds won the last game of the series with Buffalo by a score of 10 to 4. Russell Ford had another try-out in the box, but the visiting batsmen demonstrated that he had not yet rounded to form. Rhines, who succeeded him, was hit freely.

At Brooklyn.—Tom Seaton went back against the Newark Feds, and the second time in the series he was knocked out of the box. The former Quaker twirler was found for seven hits in seven innings during which time hits in seven Feds gathered all their runs, to defeat Marion relieved Seaton and held the Newark batsmen useless for an inning.

SHEFFIELD UNITED
WON ENGLISH CUP

Defeated Chelsea by Three Goals to Nothing—Old Country Soccer.

Soccer in England is practically over. Sheffield United are the proud possessors of the English Cup. Three times before have the United team figured in this great football fixture, and were successful on two other occasions, namely 1902, when they defeated Southampton by 2-1, and 1899, when they won against Derby by 4 to 1.

Saturday's game was witnessed by one of the smallest crowds to attend the game, only 60,000 being present at Trafalgar Park, Manchester. The game was splendidly contested, the only score of the first half being obtained a few minutes before the whistle blew. In the second half the United netted the ball twice and had the game well in hand.

Oldham Athletic are the leaders of the first division unless something very startling happens. The second honors should fall to Everton or Burnley, who each have two games to play.

Manchester United and Tottenham have but little chance of remaining in the first division, and will doubtless change places with Derby County and Preston North End, who are safe for the top positions in the second division.
