

Inserts sound & look

If word is short syll - short
I mean in that short word
before it is in a short
syllable

If word is long syll in
short syllable - always long
syllable - long

Little children & occasion
people speaking before a quantity
Dresses - and I used may be
- make of syll - important for
adaptation -

Heavy off short syll -

1st syll always long -

normal before round short - except
this is - final vowel preceding
initial vowel. It ended. So
also in final -
