WHAT THE PEOPLE SAY:

Messrs. C. Wilson & Son,

The 5-ton stock scale you sent me is a credit to any manufacturer. It will weigh $\frac{1}{2}$ lb. butter correctly, and weighs as fine in winter as in the summer, while the 'Fairbanks' scales gets of order and works stiff. I believe nothing can equal the 'Wilson' Scales; they are better than you represented them.
J. F. CARTER, Burgessville.

C. Wilson & Son,

We have much pleasure in testifying to the merits of the Wilson Platform Scales you a year ago. It has been in constant use, and gives entire satisfaction.
