Jack Maynard is Elected Captain of the Varsity Rugby Club

MAYNARD WILL LEAD VARSITY ONCE AGAIN

Popular Blue and White Back Is Elected Captain of University of Toronto Team For 1913.

General Jack Maynard will lead the Toronto University Rugby team into the fray during 1913. Jack was elected captain of next season's team yesterday to succeed Pete Campbell.

The election of the Rugby captain has caused quite a stir this year, and the different frat. societies at the university have worked tooth and nail to put their own men at the head of the gridiron stars. Maynard was captain in 1911, when Varsity defeated Argonauts for the Dominion honors, and was one of the most popular leaders that have ever held that position on a blue and white team.

Jack, besides being a great leader, is a finished back, and has helped Varsity to win many a game.

Charlie Gage was Maynard's most dangerous rival for the honor of leading Varsity during 1913.

Toronto Central Track Club Elect Officers

At the annual meeting of the Toronto Central Y.M.C.A. Track Club, the following officers were elected for 1913:

Hon. president, Geo. H. Barber; hon. vice-president, John G. Near; second vice-president, W. Bert Goldsboro; executive committee, Harry V. Tresidder, Frank Schofield, Geo. H. Goulding, Alex. Cameron; manager and secretary, George A. Litster; trainer, Fuzz Kerrison.

The past summer was a very successful one for the club, and, with such a representative executive for the ensuing year, greater results are anticipated. A large number of the athletes are in active training for the indoor meets across the line this winter, the next of which will be staged at the 74th Armory, Buffalo, on Dec. 28. The special attraction for his date will be a relay walking race between an all-Buffalo team and one from the Central Y., each man to walk a half-mile. The Y. team will be picked from the following: Freeman, Kelly, Jackson, Mertens, Reesor, Macdonald and Russell.

Canadian Ball League Hold Annual Meeting

Nineteen Batsmen Hit Officially Three Hundred or Better—Only One Officer.

Everything passed off pleasantly at the annual meeting of the Canadian Baseball League yesterday in the King Edward Hotel. President J. P. Fitzgerald was re-elected and also given the additional position of secretary and treasurer. The following delegates were present: Denham, Peterboro; Shaughnessy, Ottawa; Lee and Burns, Hamilton; Stevely and Buzzell, London; Mahoney, Guelph; Killingsworth and Turtton, St. Thomas; Nelson and Walsh, Brantford.

President Fitzgerald and Secretary Robinson read the various reports, which were adopted. The pennant was formally awarded to Ottawa.

The league averages were presented. In batting, 19 hit over .300, the leaders being as follows: Mihell, Berlin, .387; Bryer, Berlin, .372; Wright, Guelph, .369; Hartwell, Berlin, .368; Isaacs, Guelph, .363; Trout, Peterboro, .341; Dunn, Guelph, .338; Courtney, Brantford, .336; Dolan, Ottawa, .333; Rowe, Ottawa, .329.

The averages show the following ten pitchers as leaders in this position: Collins, McManus, Renfer, Applegate, Hynes, Drohan, Newash, Bramble, Tracey and Rose.

Guelph, Berlin and Hamilton were dickering to transfer their franchises to other owners in their own cities, either in whole or in part, but the meeting was productive of no business.

Tea Peas on Top Again.

In the Toronto Bowling Club Fivepin League last night, Tea Peas won two out of three games from Stanleys, the leaders. It was quite an upset for the latter, who just barely escaped a whitewash by nosing out in the first game, by only four pins. Manager J. T. White was the hero for his Tea Peas, getting better in every game, with his nightcap performance climaxing his three efforts, when he corralled a 220 count, which was easily high game for the night. Charley Boyd, for Stanleys, was high, with 495; J. T. White second, with 458, while President McKinley and Charley Leeson followed in order, with 435 and 408, respectively. The scores:

INITIAL GAME WILL BE PLAYED TONIGHT

St. Michaels and New Edinburgh in Exhibition Game at New Arena—Eastern Team Is Fast.

The hockey season will be ushered in tonight, when New Edinburgh, champions of the Interprovincial Union, and conceded to be one of the fastest amateur sevens in Canada, will play an exhibition game with St. Michaels at the Arena. The Saints have gathered together a strong team and the battle should be a good one.

St. Mikes will have the benefit of a week's practice while New Edinburgh have only been out once. This will be the first chance for the public to see the Interprovincial Union and the O.H.A. in action against each other.

Down in Ottawa they think that the Burghs can lick anything amateur or pro, and it will be a feather in the cap of the green shirts if they down the eastern cracks.

Both teams will make several changes during the game to allow all their candidates to show just what they can do. The teams:

New Edinburgh has sent up its list, as follows: Slack, Atkinson, Gerard, Davidson, Lowry, Dufour, Parker, Broadbent, Boyce, Merrill, Burnett, Snelling Ryan, Munro.

St. Michaels will use: Thompson and Bricker, in goal; Murphy, point, Lissette, cover; McCamus, Farr and Hyland, left wing; Matthews and Gordon, right; Laflamme, centre; Rankin, rover.

The prep. schools were all out yesterday afternoon at the Arena and livened things up considerably. Upper Canada were the first to practise, and they had a large number of aspirants on hand from which to pick a team. They put in a hard workout, and were well used up when the half-hour was up. St. Andrews lined up next, with about a dozen men in uniform. Some of the boys from Rosedale showed real speed and should be contenders when the season opens. Ross looks a very likely boy, and his speed and stick-handling should be a big asset to them. St. Mikes junior had a good array of talent to choose from, and they lined two teams up and let them go at it. It is hard to pick the good ones so early in the season, but Surveis and Broderick seemed to have the edge on most of them. St. Mikes, on form, are a strong aggregation and will take some beating. After Christmas they will also have Memolr, last year's point player for Trenton.

At a meeting of the club representatives of Group 6, intermediate series, O. H. A., in Berlin last night, the following schedule was adopted:

Jan. 3—Berlin at Elmira.
Jan. 6—Hespeler at Berlin, Elmira at Preston.
Jan. 10—Preston at Hespeler.
Jan. 14—Hespeler at Elmira.
Jan. 15—Preston at Berlin.
Jan. 20—Elmira at Berlin.
Jan. 22—Berlin at Hespeler.
Jan. 24—Preston at Elmira.
Jan. 27—Berlin at Preston.
Jan. 29—Elmira at Hespeler.
Feb. 3—Hespeler at Preston.

Only Eight Teams Have Clean Score

Bike Riders Engage in Day of Slow Jogging, Except for Twelve Minutes of Sprints and Spills.

NEW YORK, Dec. 13.—The six-day bicycle riders at Madison Square Garden, after a day of slow jogging, devoted twelve minutes tonight to sprints and spills, leaving only eight of the fourteen teams with clean scores at 9 o'clock, the 117th hour.

The spill was suffered by Egg, who escaped unhurt, and Ryan, whose collar bone was broken, at the 27th street bank. Ryan was removed to join Magin, who was taken to a hospital after receiving a like injury Tuesday. Ryan lives in Newark, N.J.

Collins was fined $25, the referee declaring he stalled, keeping other riders back, while the Grenda-Pye and Ryan-Thomas teams were gaining a lap. The gain of these teams was not allowed.

At 9 o'clock eight teams had covered 2241 miles 7 laps, which is 23 miles 6 laps behind the record. Kramer-Moran, Grenda-Pye, Perchicot-Egg, Root-Hehir, Fogler-Rutt, Clarke-Hill, Bedell-Mitten and Drobach-Collins were the eight teams leading. The Walthour-Cameron, Walker-Wells and Ryan-Thomas combinations were a lap behind; Brocco-Berthet three and Suter brothers seven laps behind, and Carmen-Loftus eleven laps, or more than a mile.

Toronto Hockey League Officers

After Fifteen Years Organization is in Lively Condition—Schedule Next Week.

The Toronto Hockey League held their annual meeting last night at the Central Y.M.C.A. F. C. Waghorne was in the chair in the absence of President Mace. This is one of the few leagues that have withstood the ravages of time and after 15 years it still enjoys a lively existence. The following officers were elected for the ensuing year: Patrons, Sir Henry Pellatt, Mr. J. D. Baillie, Mr. Lol Solman, Mr. F. Sinkins, Controller Maguire, Mr. J. Seymour and Ald. J. O'Neill.

Hon. President—H. Mace.
President—W. J. Ferguson.
Vice-President—W. Stevens.
Second Vice-president—A. O'Brien.
Secretary—R. S. Lewis.
Treasurer—A. Jones.

The league is divided into three sections, composed of a senior series, any age, a junior series, age 20 years and under, and a juvenile series, age 17 years and under. The following clubs and their representatives were present:

Crescents, F. Barker and R. S. Lewis; Centrals, A. Jones and R. Hood; Eurekas, C. Moffatt and A. Briou; Lourdes, J. McCombey and R. O'Brien; Riverdales, W. J. Ferguson and J. Gardiner; Athletics, F. C. Waghorne; High Park, J. Corrigan; Davisville, E. Johnston; St. Barnabas, F. Martin; West End, W. Stevens and R. Ward; Judeans, F. Freeman; Scotch Thistles, W. Wakely.

The next meeting will be held at the Central Y.M.C.A. on Thursday, Dec. 19, when the schedule will be drawn up and all fees must be paid. This league is still open, however, to receive entries from a few more teams who would like to play in a clean, amateur and well conducted series, and especially in the senior division. Any further information may be secured by phoning the secretary at Col. 1050.

McGill will play at Hamilton Dec. 30 and then go on to London and other towns in Western Ontario. Buster Reid is managing the red and white hockeyists.

St. Mikes' Seniors held their last practice last night and are now ready to meet New Edinburgh this evening at the Arena. Frank Dissette lined his team up against the T.R. & A.A. squad and they went at it hammer and tongs for about 20 minutes. Both teams were in better form than the night before, especially the green shirts, who, after the first ten minutes showed that they had the condition and gradually outskated their opponents. Laflamme, Rankin, Matthews and Gordon are a hard bunch to beat as a forward line and their combination should score many a goal this winter. Murphy is like a stone wall and Jimmy Dissette makes a fine second and they succeed in breaking up rushes wonderfully well. Farr is a nice skater and stick handler, but is a little young for senior company. Bricker came back to form and was stopping them in grand style and, altho he had not shown anything of class up to last night, still it looks as if he has struck his gait and will guard the nets for St. Mikes as well if not better than he did for the Big Store. T.R. & A.A. also were well represented and, altho they are not yet in condition, they showed all kinds of speed while they lasted. Code of Varsity two years ago, was one of the new boys out and he is a regular demon at rushes and never lets up. Pork Romeril was out at rover and was very effective. Meekin and Hunter also lived up to their last season's form and kept forcing things considerably. The teams lined up as follows:

St. Mikes: Goal, Bricker; point, Murphy; cover-point, Dissette; centre, Laflamme; rover, Rankin; right wing, Matthews; left wing, Gordon. Farr replaced Laflamme at half time.

T.R. & A.A.: Goal, Addison; point, Code; cover-point, Hunter; centre, Meekin; rover, Romeril; right wing, Brown; left wing, Hefferman. Jack Burrel and Charters were also used on the forward line after half time.
