OPENING OF VIADUCT DURING OCTOBER

Commissioner Harris Promises Public Will Be Able to Get to Parliament Street This Fall.

In two months, according to Works Commissioner Harris, the Bloor-Danforth viaduct will be opened to the head of Parliament street, Most people thought it would be open in time for the Exhibition, but they are doomed to disappointment. The shortage of laborers is given as the reason

for the slow progress.

An inspection was made of the undertaking yesterday and Mayor Church wanted to know if two shifts could not be worked so as to hurry things along, but was told by Commissioner Harris that there was trouble in getting enough men for one shift. Ald. Beamish, who was one of the party, thought the city should pay a higher rate of wage so that the public would have the use of the convenience at

an early date.

It is the city's intention to have both the bridges brilliantly lighted, but, for the present, on account of the restrictions in the use of power, it will have to be curtailed. The idea of securing a part of the Don Valley for park purposes appealed to the city fathers. It would make a fitting surrounding to a splendid

piece of engineering work.

The bridge over Glen road was also inspected. Fear has been expressed that accidents would occur at this point because of the obstructed view caused by the piers carrying the su-perstructure projecting three feet out. on the roadway. The general impres-sion was that a dangerous condition vould be created and steps to remedy it will be taken.

How to Look and Feel Bright in Hot Weather

When depressed by the heat and you want to freshen up for the afternoon or evening, just bathe the face in a lotion made by dissolving an ounce of pure powdered saxoitie in a half pint of witch hazel. You will find this more refreshing than an hour's rest.

CUTTING SHADE TREES.

As a wrinkle-remover the saxolite lotion is remarkably successful. Its action is almost magical. The deepest furrows, as well as the finest lines—whether due to age, lilness, weather or worry—are immediately affected. Enlarged pores are reduced, flabby skin is "drawn in," facial contour is improved wonderfully. The simple ingredients, of course, can be had at any drug store, and you need not beside to try the lotion, as it will not harm any skin in the least.
