POLITICAL POT BUBBLES

DOWN IN S. ONTARIO

Liberal Convention at Whitby To-

day—Some of the Possible

Candidates.

PICKERING, Ont., June 3.—(Spe-

cial.)—The Liberals of Pickering are

sending a full representation to Whit-

by to-morrow to the Liberal conven-

tion, when it is expected candidates

for the local legislature and the com-

mons will be selected. Several of the

districts and polling subdivisions have

left their delegates free to vote as cir-

cumstances may call for, while others

have given specific directions.

Ralph Mowbray, ex-warden of the

county, is the strongest man in West

Ontario, but he does not seem inclined

to push his claims, and while he, no

doubt, will be put in nomination, he

is not looking for preferment.

Lyman Barclay, Charles King and

W. B. Pringle are mentioned among

the Whittys Liberals, although the gen-

tlemen themselves have not declared

themselves.

Mr. Fowke of Oshawa, if he so de-

sired, could get the nomination for the

commons, but is reported as willing

to stand aside in favor of Mr. Ross

of Fort Perry.

The north also looks to have a rep-

resentative from Reach, selected for

the local house, Robert Holby, who

has for years closely identified him-

self with municipal affairs, both lo-

cal and county, is not averse to ac-

cepting the nomination, but it is dis-

cussed whether the north can carry both

nominations.

If Mr. Calder or John Bright should

bring out a townsmen, then Mr.

Holby, Mowbray or some other prom-

inent farmer would be preferred to

one of the Whittys aspirants.

It is a foregone conclusion that

the fight for the commons will be be-

tween Peter Christie and Mr. Ross, ex-M.P.

The only man who stands a ghost

of a chance to carry the Liberals to

victory in the race for the commons

is the colonel of the 34th Regiment,

Colonel A. G. Henderson, who has

been greatly handicapped by his

being an outsider, but if he is of

the same mind as in 1906 he would

never consent to run against Peter

Christie or Billy Smith.

With Brant and Thompson out of

the riding, and Ward and Tamplin on

the shelf, it should be a walkover for

Christie and Calder. Oshawa, however,

is the keystone of the constituency

and its delegates should be listened

to with more than usual attention and

be held in vain.

Metal Market.

strained, common to good, \$4.85 to \$4.90.

European, quiet, \$2.00 to \$2.05.

Pig iron, steady; northern, \$23.75 to

\$24.75; southern, \$22 to \$23.50. Copper, dull;

lake, \$24 to \$24.75. Tin, quiet, \$5.75 to

\$6.00. Tin, weak; Straits, \$41.25 to \$41.75;

plates, weak. Spelter, dull, domestic, \$6.40

to \$6.45.

Praises Laurier and Roosevelt.

LONDON, June 3.—Rev. J. A. Pat-

ter, at the general assembly of the

United Free Church of Scotland, al-

luded to the noble way Roosevelt and

Laurier were seconding the efforts of

Sir Campbell Banerman in the direc-

tion of peace, and said even if the re-

cent conference had done nothing else

than give Sir Wilfrid the opportunity

to proclaim to an astonished and in-

credulous world the effect of one sin-

gle treaty on the relations between the

United States and Canada, it had not

been held in vain.
