Dunlop Road Race and Other Events Here July 1 Will Bring Out Many Riders.

Bicycling a Popular Sport.

Official confirmation of the coming to London on July 1 of the famous annual Dunlop bicycle road race was received in this city by the newspapers and the Bicycle Dealers' Association on Monday afternoon. Only a verbal agreement had been received previously, but the announcement of Monday assures the success of London's drive for this race, which is the most important event held in the United States or Canada. Bicycle and sporting men generally are quite elated in securing the Dunlop event for the holiday, coupled with the Dominion bicycle championship races, held under the auspices of the Canadian Wheelsmen's Association, which will decide the championship of Canada. There are about 150 entries for these two races already, and many more are expected. Along with the championship races will be a number of bicycle races and events for amateur riders, and many boys and girls are already practicing morning and night in an endeavor to fit themselves to win some of the big prizes.

All these players figured in a game in Chicago Sunday between the Gunther Park Club and the Fairbanks-Morese Club of Beloit. Wotell and Reilly play for the Gunthers while Keene was on first for the Beloit Club. The Gunthers won by the score of 7 to 0, and Reilly got a double home run.
