**The Pinch Back Suits Are Prime Favorites Among Young Men**  
*The Eaton Selection is Appealing in New Pleat Effects and Patterns and Offers Values That Are Quite Remarkable Considering the Present Cost of Materials and Workmanship*  
**\$13.50 to \$20.00**

**THE** partiality of pinch back suits is quite evident by the great number of well dressed young men who are at present wearing them. They are purposely fashioned to convey a form-fitting and athletic appearance and most certainly give the wearer an air of distinct youthfulness. So if you are in need of a smart, up-to-date suit of clothes, get a pinch back.

Featured in the EATON selection of Young Men's Clothes is a line at \$13.50. They are all carefully tailored, and the coats have pleats running from shoulder down to, and in some cases, below belt, and are in two-button sac style, with fairly long peaked lapels, and patch or flap pockets. The material is selected, closely woven tweed, in homespun effect, and includes grey with green stripes; plain blue, brown or green; black with very narrow white stripes; grey with red thread stripes and several other smart patterns. Sizes 33 to 39. Extra good value at... 13.50 At \$15.00—Pinch-back Suits of new designs, a rich black and grey pin check, and a light grey with blue thread stripe and a mixture of green. At \$17.00 are many Blue Suits, made of reliable rich serge materials. The coat is form fitting and has soft rolling lapels, smartly styled pinch-back effects. At \$18.00 is an exceptionally neat and dressy pepper-and-salt mixture. Coat is in two-button sac style, with soft rolling lapels and pinch-back with pleats. At \$20.00 is a fine cheviot finished material, with quiet chalk-line stripe. Coat has soft roll lapels, patch pockets and pinch-back. —Main Floor, Queen St.

We have exceptional facilities and highly-trained staff for good work and quick service. These enlargements will be mounted on grey card suitable for framing. Each... .25 —Main Floor.

T. EATON CO. LIMITED

COAL SITUATION BETTER YESTERDAY

Sunday's Fine Weather Allowed Railway to Bring in Several Trains.

CITY YARDS BUSY

Have Already Supplied Fuel to Hundreds of Families Needing It.  
Over the week-end the railroads moved a considerable amount of coal to this city, and unless the gale that raged last night has things up again it will only be a matter of time and good weather before the border congestion is cleared up.  
The weather was ideal Sunday, and coal trains arrived with almost the summer load of cars. A derailment at Port Robinson shortly after 9 o'clock Sunday night prevented the Grand Trunk making even a better showing. The figures of the receipts from Saturday to Monday morning were: Grand Trunk, 77 cars anthracite, 128 soft and one car of coke. Canadian Pacific, 108 cars of all kinds of coal. This makes a total of 314 cars of fuel brought in to Toronto over the week-end. In addition to this there were three coal trains stalled behind the derailment, and another train of 41 cars of hard coal at Merriton. This train of 41 cars sounds as though it might be the special train of hard coal that the coal section of the Retail Merchants' Association brought from the St. Clair collieries, under the protection of the Dominion Railway head.

ment of the Canadian Manufacturers' Association, stated yesterday that the coke situation has improved considerably and the future outlook in regard to the supply of coke was very good. He left for Ottawa last night, and is to attend another conference there today in regard to the general situation.

**Due to the War.**  
Sir Donald Mann said yesterday that the whole traffic situation was due to the war, which had greatly increased coke and fuel consumption, and at the same time had withdrawn untold numbers of men from their mines and railways. About another month would see fine weather and the relief of the situation. The C. N. R. this winter had distributed coal quite different to what has been the custom. From the foot of the mountains coal has been brought eastward to relieve the prairies, and the coal stored at Port Arthur has been sent as far east as Quebec.  
The University of Toronto still remains closed, and there is no coal supply in sight. Some other institutions have been in pretty tight places, but have been able to secure the necessary coal to keep things turning, but through the city the general feeling prevailed that the railways were moving and the end of the shortage was in sight.  
Thru the city yards the hard coal situation is very much improved and no citizen, so far as known to the civic yards, has had to go without fuel. Before 9 o'clock yesterday morning 100 tons were sent out from the city yards in quarter and half-ton lots.

**BROKE LIQUOR LAW.**  
Albert Shurman, William Jackson, Pat Boylen and George Foltz were each fined the usual \$200 and costs when they appeared in the police court yesterday on charges of having liquor in their possession and selling. The alternative of three months in jail was also imposed in each case.  
The Queen street west Red Cross branch of the Union Jack Chapter, I. O. E. have voted \$100 to the Canadian Red Cross.

LODGE NEWS

THE BEACHES ENTERTAIN.

The Beaches L.O.L., No. 2274, held an invitation euchre party and dance, in their lodge room, Balsam ave. Friday night when 150 were in attendance. Handsome prizes were presented by Aid. Robbins to the following winners: Mrs. Drex, Mrs. Poulton, Mrs. Thomas McIlvoren, Mr. Jolly, Mr. Fletcher and Sgt. Small.  
Bro. Bristow acted as master of ceremonies. Light refreshments were served. Head Deputy Consul A. E. Hubbard, was presented with a magnificent diamond ring.  
Prizes won in the past contests were awarded to Mr. R. H. Frise, of Prosperity camp; D. M. Johnson, of North Riverdale camp; Mrs. Fredenburgh, of Queen City camp and others.

**YORK CHAPTER I.O.E.**  
During the past year 1400 visits to soldiers' families were made by the members of York Chapter I.O.E. 1012 was sent to Mrs. Rivers, Bulkeley, for Canadian prisoners of war in Germany, and 708 pairs of socks were distributed. The following officers were elected for the ensuing year: Hon. regent, Mrs. Demison Taylor; regent, Mrs. Cyril Rudge; 1st vice-regent, Mrs. W. H. Cunningham, 2nd

vice-regent, Mrs. Percy Sherris; secretary, Mrs. W. B. Hill; treasurer, Mrs. W. F. MacGregor; standard bearer, Mrs. Norman Hancock; Echoes secretary, Miss Mader.

JOSEPH B. COATSWORTH DEAD.

Was For Many Years in Civic Employment From Which He Retired About Fifteen Years Ago.  
Joseph B. Coatsworth, brother of the late Commissioner Coatsworth, and uncle of County Court Judge Coatsworth, died at his home, 228 Riverdale avenue, Sunday, at the age of 84 years. He was born in Merriton, Ontario, and lived in St. Catharines until his early twenties, when he came to Toronto and entered the employ of the city from which he retired about 15 years ago. His wife died five years ago.  
He is survived by two sons, Joseph, of Toronto, and George, at present living in the United States.

ACTION OVER PROPERTY.

In the non-jury court yesterday Eva and Charles Edward Jones, of the town of Oxbridge, commenced an action against E. L. Wickham asking that the latter fulfil the specific performance of an agreement made with the plaintiffs re the sale of their 150-acre farm in Scott Township. The plaintiffs claim that Wickham reached an agreement with them to exchange the farm for city property and a mortgage, but the exchange has not been consummated. The case will be concluded tomorrow.

Six hundred pairs of socks were realized by the shower held by the 10th Regiment in aid of the 256th Battalion.  
The sum of \$28 was realized by the patriotic bridge held at the home of Mrs. S. T. James, Tyndall avenue, in aid of the Belgian Relief Fund.

INSPECTOR A "CONSUMER."

On charges of failing to affix a war stamp to a bottle of hair remedy he sold to H. J. Dager, inland revenue inspector, and omitting to first cancel the stamp of a bottle before selling it, J. Cox came up in the afternoon police court yesterday, and was fined \$50 and costs on both charges. Counsel for Cox argued that the inspector was not a "consumer" therefore, the inland revenue inspector's evidence was not material to the case. But Magistrate Kingsford deemed it otherwise.

HAD LEG BROKEN.

Chas. Smith, 14 Davenport road, had one of his legs broken yesterday morning at the Imperial Rubber Vulcanizing Company's plant, 569 Yonge street, by a piece of machinery directed by the explosion of a steam vulcanizer. He was standing over the vulcanizer watching the mending of a tire when the machine burst. He was removed to the general hospital in the police ambulance.  
The outbreak of fire which followed was easily got under control by the firemen. The damage to the building amounts to \$1500.

FRANCO-BRITISH AID SOCIETY.

As a result of the program, consisting of English and French plays and dances, given on February 10 at the Margaret Eaton School, the Franco-British Aid Society has cleared \$117.27, which will be sent to the mayor of Nantes, Brittany, for the blind soldiers in the hospitals.

CHARGED WITH THEFT.

Mary Pinckam, 363 Church street, was arrested yesterday afternoon by Detective Twigg, on a charge of stealing two silk blouses and a corset cover, worth \$11.50, from the Robert Simpson store.

UNSUSPECTING JAILER FOOLED BY PRISONER

C. Cooke Escaped From Cell by Playing Role of Lawyer.

The call for Clarence O. Cook, remanded in the police court last week on a charge of stealing a bag containing various trinkets from Mrs. E. Bird, led to the revelation in court yesterday that he had escaped from the cells a week ago.  
It seems that Cook watched his opportunity and when the jailer visited the cells he suddenly became engaged in fictitious converse with a woman prisoner in the adjacent cell. The jailer thought he was a lawyer, allowed in to interview a prisoner, and paid little attention when Cook brazenly walked thru the open door of the cell to freedom. The remarks of the magistrate and crown attorney when informed of his easy escape were not complimentary to the police.

Contract Was Cancelled By War Order-in-Council

Judge Denton gave judgment against Stone Limited for \$273.88, balance due Joseph E. Ellery, a New York art publisher, who supplied a consignment of German art goods before the war, but was unable to complete the contract because of the order-in-council of September, 1914, which put an end to importation of German-made goods. The judge ruled that the order-in-council cancelled the contract, which they would have fulfilled if permitted, and therefore he dismissed their counter-claim for \$473 damages for loss sustained.

POSTED AS PRISONERS.

Canadian Associated Press Cable, London, Eng., Feb. 19.—The following have been posted as prisoners: 401626, Nigh; 447320, Everett; 53547, Bromley; also Lieut. E. W. White and D. W. Davis, attached to the Royal Flying Corps.

OPPOSITION TO LINE HAS NOT APPEARED

May Come Out When Appropriation for Pape Ave. Service Reaches Board of Control.

Toronto's share of the cost of the Pape avenue car line as ordered by the Ontario Railway Board, has not yet been estimated, but the appropriation will probably be recommended by the board of control some time this week. By the order of the Ontario Railway Board work is to commence before April 1 in the absence of opposition from the city. So far the board of control have stood pat and have declared themselves neither for or against the new line. If there is to be opposition from the city, it will probably develop when the board of control considers the matter this week and when the matter of expense is introduced. Up to date none of the controllers have committed themselves on the matter. The aldermen of ward 1—Robbins, Hiltz and Fenwick, are all agreed that ward 1 needs the new car line and they are also agreed that the course as laid out by the railway board, via Carleton to Guelph and along Pape Avenue, is the proper course. "The opposition of the school trustees because the line would pass school is all nonsense," Aid. Robbins declared yesterday. "Why they built the Queen Alexandra School, one of the largest in the city, on Broadview avenue where the cars pass."  
When the matter was before the railway board, Alderman Robbins quoted population figures to show that all the recent growth of Toronto has been in ward 1. They have increased in population by 14,000 while the other wards have either stood still or decreased in population.

PEERAGE LOSES HEIR.

London, Eng., Feb. 19.—Another English peerage is left without an heir by the death on the Laurentic of Lord Alan de Blaquiere, only surviving son of Lord de Blaquiere. The elder son, John, fell in action in 1914.
