

The Huron Signal.

ESTABLISHED IN 1848.

THIS is the oldest journal published in the County of Huron, or in either of the adjoining Counties, and is devoted to Liberal Politics, Literature, Agriculture, Commerce, etc. It has enjoyed a very large circulation since its commencement by the late Thomas McQueen, and was never so widely-spread amongst the most wealthy and intelligent class of readers as at the present time. Its circulation is, in fact, equal to at least any two of the other papers published in the County; and from the fact that it is sought after for all announcements of a public nature, as well as for reliable local news, it presents an admirable

ADVERTISING MEDIUM.

A glance at its columns will convince any one that its value in this respect is FULLY APPRECIATED BY THE BUSINESS PUBLIC.

We have regular correspondents in all parts of the County, who furnish us with everything of interest, and all Court proceedings, meetings of County Council, etc., are fully and carefully reported—when necessary in phonographic short-hand—as are also political and other public meetings. The Reformers of Huron and Bruce are earnestly invited to give the Signal their hearty countenance and support. Terms, \$1.50 per annum, in advance; \$2.00 at end of the year.

Rates of Advertising:—First insertion, eight cents per line; and two cents per line for every subsequent insertion. Small advertisements of a few lines, \$1.00 for four insertions. A liberal discount to merchants and others advertising by the year.

The Office is fitted up with every requisite for turning out superior

JOB WORK AT TORONTO PRICES.

We employ two large jobbing presses, and a Ruggles' Printing Machine, which enables us to turn out Cards, Bill-heads, etc., at surprisingly low prices.
