in it

When Rev. E. E. Styles, in Exmouth street church last evening, made reference to the Boxer uprising of 1900 in China, he carried the thoughts of one of the congregation bavk to very strenupus experiences. This was Rupert Taylor, postmaster at East Saint John, who was dangerously wounded in that rebellion.

Mr. Taylor, when asked about the matter today, said that he was on H.

M. S. Barfler. It was in July 1900.

in the interests of skating and of the sport in general in this country, that it should be governed by an entirely Canadian body.

It is probably quite unnecessary to point out that all amateurs in this country, including all skaters, come under the Amateur Athletic Union of Canada. The Amateur Skating Association of Canada is affiliated with this association and has jurisdiction on Vessel Sold by Order

With reference to future international skating champlonships, this as-With reference to future interna-tional skating championships, this as-sociation will be pleased to discuss with your association and the Inter-national Skating Union of Europe, any

between the Amateur Skating Association of Canada and the International Skating Union of America would have no immediate effect on the sport in this province, as the New Brunswick Skating Association was affiliated with both bodies, and skaters under the jurisdiction of the local body would be eligible to participate in meets conducted by both association. It was pointed out, however, that any unpleasantness that might attach to the break was bound to have effect ultibreak was bound to have effect ulti-mately on the sport.

Federal Inspector E. M. McKinnon Gives Egg Buying Tips To Local Housewives

Federal Egg Inspector E. M. McKinnon, speaking to a Times-Star reporter on the proper method of buying
eggs, said that through the egg grading system enforced by the Federal
Government, eggs were divided into
four classes—specials, extras, firsts and
seconds.

Eggs graded as firsts might be used
alone but their flavor and texture were
the lowest edible grade recognized.
They were not uniform in appearance
or flavor and their stale flavor was
casily recognized.
Six "don'ts" for the housewife he
gave as follows: "Don't huy uncan-

hand. He asks that all take extra

Argument of counsel was heard

seconds.

Specials were eggs of uniform quality and weight; generally speaking they were not more than three or four days old. They were not on the market at all seasons. Extras were a little smaller and older than specials. They could be obtained at all seasons on the commercial market.

Six "don'ts" for the housewire ne gave as follows: "Don't buy uncandled or ungraded eggs. Don't buy eggs 'just as good.' Don't wash eggs. Don't keep in a hot room. Don't try to made lower grade fill the place of the higher grade an dexpect the same results. Don't buy eggs called 'strictly fresh,' 'newly laid,' or 'freshly gathered.' Buy only by the grade names." RECEIVED HERE the commercial market.

Married Today At St. Peter's Church

A pretty wedding took place in St Peter's church this morning at 6 o'clock when Rev. James Woods, C. S.S. R., and Mrs. Yetman will make their home in Halifax. Many beautiful

gifts were received. Fire Chief Walter S. Vaughan today issued a warning to Saint John people as the season for extra home fires is at UNIFORM precautions at this time of year to guard against fires originating from the overheating of stoves and pipes, usually a prolific source of fires di-rectly the winter weather sets in and
