J. D. O'CONNELL WINS VERDICT

Judgment Given in the Ice Cream Case—Auto Matter Also.

Judgments in two cases were rendered by Judge Barry at an adjourned session of the St. John County Court this morning.

In the case of the Purly Ice Cream Co., Ltd., vs. J. D. O'Connell a claim for \$22 for ice cream delivered to the defendant at Havelock last year, at one of his picnics for children, the court ruled in favor of Mr. O'Connell with costs, except witness fees for several people who were brought from Havelock for the defendant.

In reading his decision, Judge Barry said that the question at issue was of a verbal agreement as to the price per gallon. The plaintiff claimed it was \$1.90 and the defendant, \$1.40. Defendant had admitted liability for \$17. After summing up the evidence, His Honor said that the weight was with the defendant and he therefore gave judgment for Mr. O'Connell.

J. B. M. Baxter, K. C., and Roy A. Davidson represented the plaintiff and D. Mullin, K. C. the defendant.

Second Judgment.

In the case of R. S. Miller vs. Percy S. Wheaton, an action to recover \$280 on a promissory note, and a counter-claim of the defendant for \$386.85, representing an amount paid on account of the purchase of an automobile together with \$111.95 for repairs, the judge dismissed both actions. He ruled that the plaintiff, having recovered the automobile from a friend of the defendant, Wheaton was not liable for the unpaid balance. He was of the opinion that the amount claimed by the defendant for repairs was large due to his own inexperience and that the initial payment was called out during the time that the defendant had used it, and that, therefore, the counter-claim was not allowed. On account of the circumstances of the case, he ruled that each party should pay his own costs. J. M. McMillan was for the plaintiff and Arthur N. Carter for the defendant.

PARKER CASE GOES OVER FOR A WEEK

Certificate of Doctor Says Woman Not in Condition for Trial.

A further adjournment of one week was ordered this morning by Judge Chandler in the Circuit Court in the case of Mrs. Bessie Parker, charged with performing an illegal operation on a young woman, and on which a jury disagreed at the September sitting of the court.

E. S. Ritchie, appearing for Mrs. Parker, presented a certificate from Dr. G. O. Baxter, in which he stated that he had been treating the defendant for heart trouble since her arrest and that in his opinion she was not in a fit condition to stand trial. He asked that the case be set over to the next term.

W. M. Ryan, for the Crown, said that the certificate was not supported by affidavit and asked that Dr. Baxter be brought to court to testify as to the prisoner's condition. As to move was made in this direction, he asked that the case be proceeded with as soon as possible. The court then ordered the case to be heard on next Tuesday morning at 10 o'clock. The old panel of jurors will be in attendance, as well as an additional panel of 20 which will be summoned.

HYDRO SESSION TOMORROW A. M.

Discussion With Council Delayed—Premier and Commissioner Confer.

There will be no important news regarding the hydro situation until tomorrow. The members of the City Council will meet Premier Veniot and the New Brunswick Electric Power Commission members in the Government rooms tomorrow morning at 10 o'clock.

The Premier and members of the Commission were in session all this morning and will meet again this afternoon. The whole situation is being gone over carefully, and Premier Veniot told the Times at noon that until tomorrow's conference there would be nothing to give to the public.

"You know," he smilingly added, "I have to be very careful about what I say to the newspapers."
