BRANTFORD Red Bird Bicycles

How good a wheel can be made for the
money? This was and still is the Brant-
ford Red Bird Idea — and the wheel
shows it—strong, handsome—but Light
and Easy-running. The Red Bird is
built to stand far greater strain than will probably ever be
put upon it, being reinforced doubly, and even three-fold
where strength is needed most. This gives you

Longest Service—Best Service—Lowest
Upkeep Costs—Best Value

LOCAL NEWS

IS MRS. AKERLEY.
The M. W. grand mistress of the Ladies' Grand Orange Benevolent Association is Mrs. G. O. Akerley of St. John, not Miss G. Starkey as was printed yesterday.

A BABY GIRL.
Mr. and Mrs. H. J. Wagner of New York are receiving congratulations on the arrival of a daughter on Aug. 6 at the home of Mrs. Wagner's mother, Mrs. L. Ramsey, 27 Murray street.

NOW CAPTAIN LLOYD.
M. Lloyd of 51 Harrison street has received word that his son, Lieut. R. B. Lloyd, was promoted to be captain. Captain Lloyd went over with the 29th Battalion. Before going overseas he was employed with Scovill Bros.

NORTH END LEAGUE.
Last evening the Beavers defeated the Wolves in a seven inning game on their North End diamond by a score of 6 to 4. The league standing is:

Wolves	Beavers	Curlews	Comedians	W.	L.	P.C.
4	2	2	1	2	2	.667
2	2	2	1	2	2	.500
2	2	2	1	2	2	.500
1	1	1	1	1	1	.500

IN HONOR OF AIRMAN.
At Hampton on Monday evening the Misses Spooner entertained in honor of Flight Lieutenant Hicks, who is going overseas. Among the invited guests were the Misses Fapine Fairweather, Aileen O'By, Evelyn Chipman, Captain Roy Smith, Lieut. Wicks, Messrs. Fred Chipman, Bryant, Fairweather, Eric Warneford and Ren Smith.

NORTHERN LIGHTS LAST NIGHT.
Northern lights held full sway towards last midnight and were most interesting to watch across the open stretches. For twenty miles great shafts of light like an army of approaching automobiles shot over the northern hills and skyline, backed by a field of almost white illumination. The night was starry and the whole heavenly effect beautiful, even though it was a reminder of near-by autumn.

THE FUEL SITUATION.
That large quantities of hardwood, which was formerly shipped to the States, are being brought here to relieve the fuel situation was a statement of a local shipping merchant this morning. He said that the hardwood will help in no small degree in solving the problem. He further maintained that proper authorities should get busy and see that the full allotment of coal for St. John is forthcoming.

BERRY MARKET ACTING QUEERLY.
Berries are none too plentiful in the shops and at the transportation lines but people in the country report large pickings. Raspberries by the crate cling to prices ranging from twenty-three to twenty-six cents and blueberries sixteen to eighteen cents. There seems to be a disinclination on the part of some shopkeepers to sell in large lots. Looks as if berrying parties will soon be the order of the day.

POLICE COURT.
Hartley O'Brien and Tony Taxac were taken into custody last evening on a charge of stealing junk from the premises of the old pulp mill, Missee. The junk is valued at \$25. As the witnesses for the prosecution were not present, both men were released until Saturday. Edmund S. Ritchie appeared for the defendants.

WILL WED AT CHIPMAN.
Mr. and Mrs. James Pennington, now of Montreal, and formerly of Halifax, announced the engagement of their daughter, Amy Kingsland Pennington, to Captain William G. Harrington of San Francisco, California. Miss Pennington is a gifted writer, a graduate in arts of Dalhousie University and has been connected with The Halifax Jordan company, publishers, in New York city, for several years, and associate editor of The Writer's Bulletin and Literary Review. Her friends in St. John as well as in Halifax will be interested in this announcement.

NEW BOAT SHAPING UP.
The new auxiliary four-master being erected at the D. H. Saker yards, Strait Shore, is now almost completely in frame, only the mainmast being unplaced. The building crew are now a quick-working lot of workmen, thoroughly familiar with the facilities at hand and, although the job has been held up a few days for timber, very satisfactory progress has been made. The late Dornfontein was laid down in October, 1917, and finished on June 11, 1918. So far her successor is ahead of that record of building speed.

JIM FOSTER BREAKS AN ARM.
Little Jim Foster, the two and a half years old son of W. D. Foster, insurance agent, and grandson of Dr. J. H. Frink, broke his right arm while playing at The Cedars on Sunday. A Rothesay physician was on the scene in less than an hour, reaching the spot by motor boat, and later a city doctor arrived at the resort for dinner and concurred in the treatment given. The baby was brought to the city and an X-ray photograph of the arm taken in the hospital. The rays disclosed a break in both principal bones but in a child so young this is not serious. Master Foster was a plucky little patient with so much travelling and fixing up and he is now back at the Cedars with his mother and sister having as good a time as his dimpled wee sling arm will allow.

SCOUTS TRUE TO PRINCIPLE

The Times has received the following: Yesterday afternoon four boys were enjoying a row on the Kennebecasis river just opposite Fair Vale beach when they were met by three scouts of St. Paul's troop of this city who were crossing from their camping grounds on Long Island to Fair Vale. The boys remarked to each other how calm the water was but in a very short time the waves had broken out and in no time they were dashing the boats very roughly. As the scouts had a start they were soon on the shore at Fair Vale but, thinking of the other boys whom they had left across the river, decided they would go out to their aid and these brave scouts risked their own lives to save the lives of others. The boys' boat was almost capsized when the scouts came to their rescue. We certainly congratulate these scouts for their brave act.

CAPT JOE DONOVAN AND THE U-BOAT SKIPPER

Story of St. John Marine's Double Encounter With German He Knew in Peace Days

I. C. R. Policeman John Collins, the depot guardian, has a good yarn with pronounced local color appropos of the submarine jaunt which the Dornfontein's Swedish sailor says he took after the recent torpedoing.

He says that within the week an ex-St. John man home from the States on a visit told him that Capt. Joseph Donovan, formerly of York Point here, who has for years been sailing out of an American port, had twice had his vessel sunk under him by the Huns. Both sinkings were in British waters. On the occasion of the first attack, the story goes, the submarine commander ordered the ship's captain aboard his U-boat. Captain Donovan clambered aboard and was dumbfounded to hear: "Well for heaven's sake is dot you, Donovan?"

The sub. commander was an old shipmate. A few weeks later the ex-St. John man's next ship was torpedoed as well. When rowing past the submarine Captain Donovan thought he recognized the German commander as his former friend, so he shouted: "Is that you, Heine?"

The laconic answer came back: "Yaw, Donovan, dot vas me!"

BRISK DEMAND SINCE BACON BAN RAISED

Some New Matters in Connection With Food Control

Since the food board has raised the ban on bacon there has been a brisk demand with prices ranging from fifty to fifty-six cents. In Montreal the highest qualities bring sixty cents. Roundabout local eating houses two pounds of bacon on the bills of fare and with the luscious egg accompaniment proves a luxury de luxe.

In protecting the public against exorbitant prices for flour substitutes the federal authorities have issued a statement as to what retail prices should be considered reasonable, based upon wholesale quotations. The board contends that white corn flour, costing from \$11.50 to \$12.10 a barrel in eastern Canada, should cost about six and three-quarter cents a pound and that rye flour at \$12 a barrel wholesale is worth about seven and a half cents a pound and barley flour at \$11 a barrel about six and three-quarter cents a pound.

The Canada Food Board issues serious warning to all dealers against too high prices for flour substitutes and there is a penalty for carrying in stock a supply of white flour out of all proportion with the supply of substitutes. In other words, the substitutes must be plenty and at fair market prices.

In Toronto bleached corn flour is selling at \$10.50. Of course prices are bound to vary with fluctuation in prices of grain.

In the United States on the first of this month a new sugar rationing order went into effect to remain until Jan. 1. This order allows two pounds of sugar a month for every member of a household. This is the English ration, but France allows only one pound and a half and Italy about a pound. This American two-pound limit includes all sugar used on the table and in cooking. So Canadians are not so badly off after all.

VISIT TO FERNHILL: FURTHER IMPROVEMENTS

The directors of Fernhill Cemetery Company made their official annual inspection of the grounds yesterday afternoon. The lot committee and directors individually take great interest in the cemetery work and have paid numerous visits to the grounds during the spring and summer, but this is the first visit of the season for the directors as a whole. As guests of the president, Colonel Sturdee, they assembled at the Union Club for lunch, after which they motored to the grounds and inspected the chapel and tomb, the naval and military plot, the site of the new lots off Central avenue, saw the young ladies at work and inspected the barns and the grounds generally.

The scarcity of labor still continues, but the directors expressed themselves much pleased with the appearance of and various improvements to the grounds. It was decided to raise the gates and roadway at the Marsh road entrance, as the new grade of the Marsh road is full eighteen inches above that of the Fernhill entrance. As the street railway have concreted their tracks at this place, it was agreed to take the opportunity of concreting the entrance and the roadways to meet the rise of the hill. This will make a very attractive entrance indeed.

IN MEMORY AND IN HONOR OF MISS STAMERS

Mrs. David Hudson of Glace Bay, C. B., is visiting her sister, Mrs. B. A. Stammers, at the Stammers cottage, Renforth. It was with Mrs. Hudson that nursing Sister Anna Stammers of the Llandover Castle sacrifice lived for several years prior to her nursing studies in this her home city and memories of the brave girl are fondly cherished in the Nova Scotian town.

Mrs. Hudson says that Rev. Dr. Frank Erb, a former North End boy, now highly successful in the United States, with whom Miss Stammers was associated in Sunday school work in Glace Bay, is writing an appreciation of the nurse and her life's endeavors and ideals for a prominent religious magazine. During the early stages of Rev. Dr. Erb's career Miss Stammers was one of his most dependable assistants, doing especially useful work in the organization and building of the primary departments in the Glace Bay Baptist Sunday school. A bed for sick nurses is to be endowed in the Glace Bay hospital by Mrs. Hudson in memory of her niece.

MACAULAY BROTHERS & CO.

Stores Open Till 10 o'clock Every Friday Evening—Closed Saturday at 1 p.m.
