would love to have it by using the following treatment regularly.

Make this treatment a daily habit Just before retiring, work up a warm water lather of Woodbury's Facial Soap and rub it into the skin gently until the skin is softened, the pores opened and the face feels fresh and clean. Rinse in cooler water, then apply cold water—the coller the better—for a full minute. Whenever possible, rub your face for a few minutes with a piece of ice. Always dry the skin thoroughly.

Use this treatment persistently for ten days or two weeks and your skin will show a marked improvement. Use Woodbury's regularly thereafter, and before long your skin will take on that finer texture, that greater freshness and clearness of "a skin you love to touch."
