GOOD FOR COMPLEXION

Of all the skin beautifiers we have had in our store there is none that we can recommend more highly than the D. D. D. prescription.

D. D. D. is such a logical remedy for all kinds of skin trouble and so scientifically compounded that it clears up the complexion over night.

D. D. D. is most widely known as the most reliable treatment for Eczema, but it has also been found invaluable for all kinds of minor skin troubles. We do not hesitate to give D. D. D. our special recommendation. In fact, we are convinced that D. D. D. will give relief that no other remedy can.

Surely if you have any skin trouble, you should give D. D. D. Prescription a trial.

Don't delay, for if not promptly checked, minor skin troubles often develop into serious disease, difficult even for D. D. D. to cure.

Better drop into our store anyway and get posted on this wonderful remedy. Ask also about D. D. D. Soap, which is so invaluable in keeping the skin in healthy condition.

Or write the D. D. D. Laboratories, Dept. S. J. T., 49 Colborne street, Toronto, for a free trial bottle. In either case, don't put it off, but act at once. E. Clinton Brown, general agent.

Atlantic, N. J., Nov. 4—The airship Akron, under command of Melvin Vaniman left here at 9.50 a. m. today, for a trial flight over the city and ocean.

The airship after sailing over the city landed at Pleasantville, five miles from Atlantic City. This dirigible was specially built for flight across the Atlantic to Europe.

ON OVERDOING IT

"The tendency of the age," says a modern philosopher, "is to overdo everything."

The same thought has occurred to the writer many scores of times, when, after swallowing a very moderate allowance of some sauce, he has been left with a palate apparently given over to an endless stinging and burning sensation, calculated to make a man forswear the use of any sauce whatever.

Have you ever been served that way? Ever suffered that way? Ever vowed eternal abstinence from sauces? Forget that suffering, break the vow, and try H. P. Sauce, a truly, delightful composition. Neither too thick nor too thin, too hot nor too cold, too sweet nor too sour. This sauce, which has been christened "H. P." in honor of the Houses of Parliament, is to be procured of all grocers, and it is in every respect the revelation of what a perfect sauce should be.

We have it from the manufacturers, the Midland Vinegar Company of England, the largest malt vinegar brewers in the world, that this most truly welcome addition to our tables is compounded from the choicest Oriental fruits and spices blended with pure malt vinegar by "a secret process."

We gladly accord the Midland Vinegar Company enthusiastic praise of their "process." H. P. is a sauce so deliciously blended that no flavor predominates aggressively over the others, and so skilfully combined that it never separates, there is no sediment, and therefore requires no shaking.

It is imperative, when buying, to look for the letters H. P. and a picture of the British Houses of Parliament on the label for a sauce as good as this will often be imitated, though never in the opinion of the writer, equalled.

WILL MAKE ST. JOHN MARITIME HEADQUARTERS

The importance of St. John as a financial centre has been recognized by another large financial institution which will soon open a branch here and make this city headquarters for the maritime provinces.

William J. King, general manager of the Canadian Home Investment Company of Vancouver, arrived in the city today to look over the ground and make arrangements for invading this territory. Offices will be rented here at first, but eventually they intend to erect their own building here as head office for this province, and will make it one of a chain of buildings across the continent.

E. G. Rogers, the first assistant general manager, will arrive here soon. The resident manager at St. John is to be M. Emack, a former resident of this province. The company already has twenty branches in different parts of Canada. They will also enter the United States in a few months, and have plans made to open on the other side of the line on February 1.

Mr. King expressed himself as highly pleased with the prospects of St. John. From his inquiries he had learned that conditions here already show a great improvement over a few years ago, and he is confident that the next few years will show still more rapid advance.

Speaking of the general situation throughout Canada he said that he believed that this country is just at the beginning of a long run of prosperity and it is their faith in this that has led to their plans for extending their operations.

SHE SUFFERED FIVE YEARS

Finally Cured by Lydia E. Pinkham's Vegetable Compound.

Erie, Pa.—"I suffered for five years from female troubles and at last was almost helpless. I went to three doctors and they did me no good, so my sister advised me to try Lydia E. Pinkham's Vegetable Compound, and when I had taken only two bottles I could see a big change, so I took six bottles and I am now strong and well again. I don't know how to express my thanks for the good it has done me and I hope all suffering women will give Lydia E. Pinkham's Vegetable Compound a trial. It was worth its weight in gold."—Mrs. J. P. Endlich, R. F. D. No. 7, Erie, Pa.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record for the largest number of actual cures of female diseases we know of, and thousands of voluntary testimonials are on file in the Pinkham laboratory at Lynn, Mass., from women who have been cured from almost every form of female complaints, such as inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration. Every suffering woman owes it to herself to give Lydia E. Pinkham's Vegetable Compound a trial.

If you want special advice write Mrs. Pinkham, Lynn, Mass., for it. It is free and always helpful.

SOFT FELT HAT MUCH IN FAVOR

Homburg Was the Favorite of The Late King Edward VII

LONDON STYLES FOR MEN

City Business Man Not Always "Top-hatted" Now as Once Was Fashion—Blue Dress Suits a Possibility, Says West End Tailor

London, Nov. 4—The soft felt hat known as the Homburg, the favorite headgear of the late King Edward, whose habitual adoption of it must have done much to bring it into vogue among his subjects, is now the most popular hat in London. But it is a mistake to connect its popularity with "the decline of the silk hat"—to use the unvarying title which annually does duty at this time of the year for the introduction of the same old scare.

The Homburg is taking the place of the bowler, not of the high silk hat. The soft felt hat is worn with the lounge suit, and with the motor get-up, so how can it be said to be ousting the topper from its position?

What the Homburg is doing is this: it is cutting into the interests of the bowler (Derby) and the tweed cap, and it has as little to do with "the decline of the silk hat" as with the increase of the price in coal. The silk hat and all its attendant sartorial formalities started on the down line in the city (financial district) and the West End long before the Homburg was even an uncommon object of the London streets. What was really the cause of "the decline of the silk hat," was a terrifically hot summer years ago which drove the immaculate stockbroker to the adoption of the straw.

Once this element of informality had entered into the highly-polished gravity and spick and span dignity of Throgmorton life, other kindred elements followed—such for instance as brown shoes, colored socks, light lounge suits and bowlers. And from that time onwards the stockbrokers and their clerks became less and less top-hatted and black-coated. But the silk hat has by no manner of means become extinct in the city. There are still hundreds of firms which adhere to the old formal style.

Dress Suits of Blue

There has been some talk lately about the possibility of blue dress suits coming into fashion, and on referring the matter to a West End tailor who "makes" for the aristocracy, a press representative was told that the possibility is a very real one. "At present," he said, "we are not making dress suits of a very noticeable blue; in fact, the color is so dark as to be almost indistinguishable from black. But blue, indeed, they are, and I should not be in the least surprised, going by the nature of certain orders that have been given to me this season by clients who are known to lead fashion to a considerable extent, if the color this year will be quite distinct, like the blue cloth of which our grandfathers' coats were made."

The tailor was asked if he thought the blue would suit the average man, and he was doubtful. "If blue dress suits come into fashion they will soon have to go out again if they are not cut by the very best tailors."

RECEIPT FOR WARDING OFF AGE

Fat is commonplace—middle aged. It stamps a woman as unquestionably past the period of youth. Hence it lessons her influence. She may charm still—by nimbleness of wit—but that indefinite fascination a fine figure wields has fled from her.

For ever? No! for it can be regained, and that easily. Youth as expressed in the straight front, the lissome hip, the wavy outline, is not beyond recall. Let any woman who is too well filled out, take a Marmola Prescription Tablet after each meal and at bedtime. The sprightliness of youth will come back to her. Off will go the fat, uniformly and smoothly, revealing the foundations of the lost youthful form beneath.

Try this method. No exercising or dieting is necessary to take off a pound a day. The Tablet will do it alone. No wrinkles or haggard lines will form; instead the health, the brightness and the litheness will increase. The Marmola Prescription Tablet is absolutely non-injurious (being made of the famous fashionable formula 1-2 oz. Marmola, 3-4 oz. F. Ex. Cascara Aromatic, 4 3-4 oz. Peppermint Water); and it is also inexpensive, a large case, enough to show results, costing, at any drug store, or direct from the Marmola Co., 1179 Farmer Bldg., Detroit, Mich., only seventy-five cents.

ST. JOHN AND THE BIG HARBOR WORKS

Edward Bath, M. A. B Sc., the consulting engineer who came to St. John yesterday to meet Hon. J. D. Hazen, was disappointed in this as Mr. Hazen has returned to Ottawa from Halifax. Mr. Bath will leave this evening for Ottawa and while there will meet Sir Wm. White the noted British naval constructor who designed the Lusitania and the Mauretania and who is an advisor to the British admiralty. They will meet members of the dominion cabinet there and their conference is likely to be of importance to St. John.

Speaking of the prospects of St. John getting the dry dock and ship building plant Mr. Bath said this morning that they would depend on how eager St. John is to secure the expenditures here. There are other places which also are in line and unless the people of St. John soon take steps to have their case made as attractive as possible, they could not expect to get the big works.

IN MEMORIAM

In loving remembrance of Annie E. Stephenson, wife of John A. Stephenson, who died Nov. 4th, 1909.

Day after day we think what she is doing
In those bright realms of air,
Year after year her tender steps pursuing
Behold her grown more fair.
Thus do we walk with her and keep unbroken
The bond which nature gives
Thinking that our remembrance, though unspoken,
May reach her where she lives.

St. Luke's Thanksgiving Song Service

The second annual Thanksgiving song service held last evening in St. Luke's church proved a great success. The anthems showed the great improvement made by the choir under the direction of Ernest Scott Peacock. The programme was as follows: Processional, "Come Ye Thankful People Come." anthem, "O Clap Your Hands," choir, solo part by W. A. Smith; solo, "The Crystal River," Miss B. Irvine; anthem, "He Watereth the Hills," choir, solo part taken by Master Cecil McKim; solo "My God and Father," A. Chappell; anthem, "Sing to The Lord of Harvest," choir; solo, "One Sweetly Solemn Thought," Miss J. Dunham; anthem, "Fear Not, O Land," choir, solo parts taken by Miss E. Brigden and R. C. Farmer; solo "God That Madest Earth and Heaven," W. A. Smith; anthem, "Sing Alleluia Forth," choir, solo part taken by F. J. Hardiman; recessional "Praise, Oh Praise, Your God and King." The solos were rendered in a pleasing and acceptable manner and made a very favorable impression on the large congregation present.

The general standard of music was of a high class and in every way the performance was a great improvement upon that of last year and much credit is due to the choir master and the members. After the programme the choir were served with refreshments by Mrs. McKim.

The revision of the voters lists for the parish of Simonds was completed this morning with the addition of thirty names. A. A. Wilson and G. Earle Logan appeared for twenty-eight of the applicants and Councillor Donovan for two. The lists for the parishes of Musquash and St. Martins which have also been completed show little change. The list for the parish of Lancaster has not been completed.

HEAVY DRINKER CURED

Samaria Cured Him and He Helps Others

A man who has been released from the awful cravings of drink, and whose first thought is to help others, shows the spirit of true brotherhood and philanthropy. Read his letter:

"The Samaria Remedy Co., Toronto, Ont.:

"Will you please send me book on drink, also circulars relating to your valued remedy for the drink habit. I wish to hand these to a friend who is going to ruin through drink. You will remember that I have taken your remedy, and I find it all you claim it to be. I never think of taking or using strong drink in any way, as all desire for it has left me. I cannot speak too highly of your wonderful remedy. You may use my name in any way you wish in public.

H. Lilywhite, Brigden, Ontario."

Samaria Prescription is tasteless and odorless, and dissolves instantly in tea or coffee, or can be mixed with food. It can be given with or without the patient's knowledge. It removes the craving for drink, builds up the system and restores the nerves. Drink becomes distasteful and even nauseous.

Drink is a disease, not a crime. One drink of whiskey always invites another. The inflamed nerves and stomach create a craving that must either be satisfied by more whiskey or removed by scientific treatment like Samaria Prescription. Samaria Prescription has been in regular and successful use by Physicians and Hospitals for over ten years.

If you know of any family needing Samaria Prescription, tell them about it. If you have a husband, father or friend that is drifting into drink, help him save himself. Write today.

A FREE TRIAL PACKAGE of Samaria Prescription, with booklet, giving full particulars, testimonials, price, etc., will be sent absolutely free and post-paid in plain sealed package to anyone asking for it and mentioning this paper. Correspondence sacredly confidential. Write to
