

**Directions to Young Men desiring to enter upon a Course of
Study in the Presbyterian College of Montreal,
with a view to the Ministry.**

1. They must be assured of the sincerity of their motives, and the reality of their desire to serve God in the work of the Ministry. Also they must be satisfied that they possess sufficient scholarship to pass at least the examination for entrance into the literary course. (See "Literary Curriculum.")
2. They must apply through the ministers of the congregations to which they belong, or other ministers of the Presbyterian Church in Canada who are able to certify to their moral and religious character, to some Presbytery of the Church, before which they must appear at the time of application, to obtain a certificate to the Board of Examiners.
3. They must send notice to the Registrar of the College, who is also Chairman of the Board of Examiners, or to the Principal, of their intention to pass an entrance examination, not later than the first of October; transmitting therewith their Presbyterian Certificate, specifying also the extent of their literary attainments, and the year [First, Second or Third Literary, or First Theological], in which they propose to enter. (See "Literary Curriculum; Students seeking admission," &c.) Graduates of Universities are exempted from examination in general literature, but must state and be prepared to certify their Degrees, and whether they have passed an examination in Hebrew, with evidence of the same; failing which they must give notice of their intention to pass the said Hebrew examination (see Students: Hebrew"), on the Thursday following the first Wednesday in October.
4. They must report themselves to the Principal in the College on the first Wednesday in October, when the time and order of their examinations (if any), and the work of the Session will be intimated.
5. If they desire to reside in the College Building, they must send or make application to the Principal, as early as practicable after obtaining their Presbyterian certificate. None but regular students who have satisfactorily passed their examinations can be permitted to remain in residence during the session.
6. For rules relating to Students from other Theological Colleges, Occasional Students, and Students having special permission to pursue their literary studies apart from the College, see "Students in Theology," and "Literary Curriculum."
