PERRY DAVIS'S Vegetable Painkiller.

Internal and External Remedy.

We call attention to the great remedy of Perry Davis & Son, called the Pain Killer. We believe that the public generally have great confidence in the efficacy of this medicine, as it is in this Mate very generally used.—Biblical Recorder, (N. C.)

It has been said of old—"This is a world of wonder" and to the observer is daily necessited something It has been said of oid—"This is a world of wonder"—and to the observer is daily presented something new and wonderful, both in nature and art. Men of genius and skill are constantly engaged in seeking out that which may become valuable to the public, and a living emblem to scientifics, and from all these wonders which have been brought before the world and particularly our Medical Faculty, theref has been nothing as yet surpassed Perry Davis.'

Pain Killer, which is the most valuable family medicine now which is the most valuable family medicine now in use, for many internal and external complaints that flesh is heir to. To convince you of the fact, you have but to call at the Drug Store, where you can get a bottle—from 25cents to \$1.—Tennessee Or-

As a means of removing pain from the body no medicine has ever acquired a reputation equal to Perry Davis's Pain Killer.

Thomas S. Ramsey, writing from Rangoon, Burmah, Dec. 19, 1856, says:—"It is becoming more popular, and in several instances I am assured that the cholera has been arrested and life preserved by its use. The late prevalence of cholera here has swept off about all the Pain Killer I had, and purchasers looking to me for a supply will be disappointed in my inability to supply.
