WHAT PAYS?

IT PAYS every Manufacturer, Mechanic, Tradesman, Inventor, Farmer, or Professional man, to keep informed as to the progress and discoveries of the day.

IT PAYS THE HEAD OF EVERY FAMILY to have the latest and best new paper that is published in the United States, for its information, and to give a taste for its utility, and to promote thought and encourage discussion among the members.

The Scientific American

which has been published weekly for the last thirty years, does this from extent beyond that of any other publication in the United States. It is the only weekly paper published in the United States, devoted to the progress of the sciences, inventions, and new discoveries in the arts and sciences.

Every number is profusely illustrated, and its contents embrace the latest and most interesting information pertaining to the industrial, mechanical, and scientific progress of the world. Its descriptions, with beautiful engravings of new inventions, new implements, new processes, and improved industries of all kinds; useful notes, recipes, suggestions, and advice to practical workers, for workmen and employers in all the various arts, forming a complete repository of new inventions and discoveries; containing a weekly record, not only of the progress of the industrial arts in our own country, but also of all new discoveries and inventions in every branch of Engineering, Mechanics, and Science abroad.

THE SCIENTIFIC AMERICAN
has been published weekly for the last thirty years. It is the oldest, largest, cheapest and the best weekly illustrated paper devoted to Engineering, Mechanics, Chemistry, New Inventions, Science and Industrial Progress, published in the world.

The practical Engineer will find worth ten times the subscription price, and for the shop and house will save many times the cost of subscription.

MERCHANTS, FARMERS, MECHANICS, ENGINEERS, INVENTORS, MANUFACTURERS, CHEMISTS, GARDENERS, and all people of all ranks and colors, will find the SCIENTIFIC AMERICAN useful to them. It should have a place in every Family, Library, Store, Office and Counting Room; in every Reading Room, College and School. A new volume commences January 1st, 1877.

A year's number contains 52 pages and 500 engravings. Thousands of volumes are preserved for binding and reference. Terms, \$3.20 a year by mail, including postage. The amount to Clubs. Special circulars, giving Club rates, sent free. Single copies mailed on receipt of 10 cents. May be had of all News Dealers.

PATENTS. In connection with the SCIENTIFIC AMERICAN, Messrs. MUNN & CO. are Solicitors of American and Foreign Patents, and have the largest establishment in the world. More than fifty thousand applications have been made for patents through their agency.

Patents are obtained on the best terms. Models of New Inventions and Sketches examined, and advice free. A special notice is made in the SCIENTIFIC AMERICAN of all Inventions Patented through the Agency, with the name and residence of the Patentee. Patents are often sold in part or whole, to persons attached to the Invention by such notice. A pamphlet containing full directions for obtaining Patents sent free. THE SCIENTIFIC AMERICAN Reference Book, a volume embodying in cloth and gilt, containing the Patent Laws, Statutes of the U.S. and 142 Engravings of mechanical movements. Price 25 Cents.

Address for the Paper, or concerning Patents, **MUNN & CO., 37 Park Row, New York** (Brooklyn Office, Cor. F and 2nd Sts., Washington, D.C.)

WANTED.

WE WANT reliable, energetic canvassing agents in every town in the Dominion for the new "Illustrated History of the Dominion of Canada." This work is truly magnificent, containing over 2,000 double column quarto page engravings. The work is published in Paris, on a plan which insures its welcome to every English reading family. To energetic young men or ladies, who are willing to work, we will guarantee a permanent position for two years, and good pay! Don't fail to write for our private terms, sample pages, etc. This is a grand opportunity for school teachers to make more than double their salaries without interfering with their professional duties. The work is being manufactured at a cost of over \$20,000 for the literary, artistic and mechanical work of producing the plates by the old well known, reliable Lacey Printing and Publishing Co. of Montreal. All letters from agents must be addressed to the Publishers general agents as follows:—
