The Wleekin Times

Victoria, Friday, March 16, 1894.

AN AWKWARD SITUATION The ratification of the French treaty will not be the least troublesome question to come up at Ottawa this session. Pubbasis of imports these articles in 1893. Davie having any sense of shame is a as shown by the trade returns, the direct most laughable farce. Then he told the loss to Canada's revenue, would be, on house that certain members of the oppochampagne and sparkling wines, \$50,350; sition advocate single tax for the puron non-sparkling wines, \$112,500; on pose of gaining a little strength. Why, ton manufacturers of Canada, Mr. John road between that place and New Denvey \$206,980. The loss to France of revenue on the basis of imports of 1802 was stated by Hon. G. E. Foster to be \$53,000 or a net balance against Canada of \$153,000 among the merchants of control of the single tax men, at a photo the sample tax men, at a photo t in round figures. Apart from the loss of still remains a fact that he said he was that on some lines there is a nigher tarm and ladders, and an entertainment is to be given shortly to raise more money for tility of the wine-makers, the temperance single tax. Did he do this just to try and moreover, that the home manufacturers the purposes of the brigade. people and the fruit-growers in the east. while it has no feature that is particularly pleasing to any large class. It has no friends, in fact, and the ministers would like to kick it out. But this they cannot very well do, since the treaty is practically their own executive act. negotiated under their authority by Lord Dufferin and Sir Charles Tupper. Its rejection would seriously offend France and compromise Great Britain, not to speak of the two negotiators. Besides, it is very distinctly stated that the ministers were kept informed of what the negot'ators were doing, so they have no excusa left on the ground of ignorance. Very without the necessary information on the seldom does a ministry get itself into so awkward a position by carelessness or stupidity, or both. And a ministry that why all the papers the premier volunteerprides itself on the possession of large ed and all he has so far submitted unbrains, too!

satisfaction with the redistribution bill, the discussion yesterday, and particular take her seat at the operating table.

Our Kaslo namesake says: "Probably ere by by Mr. Sword's very definite question and the first say definite question of the Northfield electors opthis the redistribution bill will have be tions. Why all this hesitancy? come law. That it is a measure that gives the people fair representation in bia Southern railway, introduced by mesterday morning. T. R. McInnes, presithe legislature will not be maintained by sage, provides that the grant in favor dent of the Nanaimo Reform club and essary for the citizens of Nakusp, New even those who support the Davie gov. of the railway, authorized by the railway Mr. Angus McKenzie were present from ernment; but the government must be returned to power, and the only way it could be done was to give 1,300 people in Esquismalt the same representation as 5,000 in West Kootenay, and the 19,000 5,000 in West Kootenay, and the 19,000 and applied to several sections of the people in New Westminster district the same representation as the sparsely set—

Buchanan's saw mill is running full time, although there is no very great demand for lumber as yet. Captain W. Palmer Clarke and G. O. Woodman arrived at Kaslo on Sunday from Winnipeg. During the week they adjusted the fire losses of those lucky enough to have had insurance. The adjustment was made on a basis that was generally satisfactory.
The people of Kaslo have been laboring under the belief that Kaslo was a

mercantile depot within easy reach of the mines in Slocan district. It seems they are mistaken. The ways of the present government are beyond the average man's understanding. J. McMartin has the contract for raw-hiding ore from the Alpha mine, one of

the Grady group, on Four Mile creek He expects to get down 500 tons before the trail gives out.
The only people in British Columbia who are not taking steps to cut down

expenses are those who run the government of the province. Instead of considering how the running expenses of the province can be cut down they have introduced a bill that will add \$600,000 to the provincial debt, and have another one ready to introduce that will add \$900,000 more indebtedness in the course of time.

The 120 tons of ore shipped from the Silver King mine, near Nelson, to Swan-

sea, Wales, is held at the boundary I required bond with the United States government to allow of its shipping

The Noble Five mines, in Slocan district, are still shipping ore. About one hundred tons, besides that now in Hughes' warehouse at Kaslo, will be marketed before the season closes. The Number One mine at Ainsworth is looking fine, and four feet of ore is reported in the face of the drift Although sanguine men placed the winter's ore shipments from the mines Slocan district at 4,000 tons, the mor conservative estimated the tonnage 3,000. Shipments will cease within

next two weeks, and by that time abo 3,000 tons will have been shipped, no counting the Slocan Star ore in the wareiouse at Three Forks and the ore now being rawhided from the Grady group In the majority of the mines in Southern Kootenay for every ton of ore ship-ped ten tons are mined, and much of

that mined but not shipped is high grade. Their Pastor a Murderer. Birmingham, Ala., March 12 .-- William Hunt, alias Rev. Wm.
