The Princess of Wales' Jubilee Dinner to the Poor Proves a Huge Success.

Jubilee Visitors Attend a Gorgeous State Reception at Buckingham Palace.

The Great Naval Review To-Morrow Off Spithead-Ships To Be

London, June 23 .- To-night was a gala night at Covent Garden opera house, where the whole programme and perconers. For miles around Covent Garden the streets were crowded, and the CAPITAL crush of carriages was so dense that many men wearing gorgeous costumes crush of carriages was so deuse that and covered with jewels had to walk for long distances amid the varying com-ments of the crowd. Many others, ake the Duke of Marlborough and the Duke of Devonshire, drove to the opera house in state carriages, with coachmen and footmen resplendent in state livery. In front of the opera house was mounted guard of honor; inside the Earl of London, with a lot of gold sticks, awaited the arrival of the royal party,

while beef-eaters lined the stairway and mounted guard outside the royal Meantime the house filled and the scene was most gorgeous. The women blazed with jewellery; nearly every man wore Ottawa, June 25.-If a committee is a uniform of some sort, while the Indian cupied prominent boxes, and were curi-

very successful. About 300,000 denizens of the slums were sumptuously entertained at various centres. The Princess, accompanied by the Prince of Wales, Princess Victoria of Wales, and Prince and Princess Charles of Denmark, vis- carrying the flag of His Royal Highness

were given. The Princess of Wales requested the Lord Mayor to deliver tass message to the diners: "Although I am unfortunately unable to be present at all the dinners for my poor, I shall be with them in spirit, hoping that they w... enjoy themselves and give three cheers for the Queen."

The children fed at the People's Palace were all cripples. Some were wheeled in bath chairs, others limped on crutches into the banquet hall, and others had to be carried in. As soon as the royal party reached the platform two hitthe cripples presented bouquets of flowers to the Princess of Wales and to the Lady Mayoress. The scene was most affecting and nearly all eyes were moist. The members of the royal party then made a tour of the hall, and before leaving the Princess of Wales took up a glass of ginger ale which had been served to one of the little cripples and emp-

tied it to the health of the chudren At the Central Hall, Holborn, 17,000 people, young and old, partook of the banquet served. When the royal party entered the hall the food was apparently ergotten. All present stood up, and cheers shook the building. On making the tour of the room the Princess of Wales turned to an old Irish woman and expressed the hope that she had partaken of a good dinner. To this the old woman replied: "God bless you, dear," and patted the Princess on the shoulder. The members of the royal party frequently shook hands with and spoke encouraging words to the ragged waifs.

STATE RECEPTION.

A Scene of Unprecedented Brilliancy at Buckingham Palace.

London, June 24. On behalf of Her Majesty, the Prince and Princess of Wales gave a state reception this afternoon at Buckingham Palace. The occasion was one of unprecedented brilliancy, the guests numbering over 1,500, and inc'uding all the special Jubilee visitors, and the admirals, captains and officers from Spithead. An enormous crowd watched the arrivals at the palace, while the streets converging there were filled with carriages. The bailroom scene was one of dazzling splendor. The guests promenaded through the the bands played dance music. Among these present were the Duke and Duchess of Rife and the Duke and Duchess

The armament of the Teutonic consists of eight quick firing guns and eight Nordenfeldt guns. Mr. and Mrs. Joseph Chamberlain will ecompany the colonial premiers to the

naval review at Spithead. Unless all plans miscarry the naval review wil surpass in greatness and charm any marine event which has taken place since the old Vikings cruised in the vicinity of North America. Every nation of the world which possesses any cyals were less lavish in jewellery than claim to being a naval power will be represented by a war vessel of sufficient size to evidence the appreciation of audience included all the leaders of of- England's power and the sterling worth

In addition to the visiting craft, England's navy will be represented as it never has been before on a single occasion. No one who does not consult the records of the admiralty has an adequate idea of the real strength of England on the sea. It is an actual fact that she numbers her vessels of war by the hundred, and that the most powerful fighting machines afloat fly her flag. National prejudice in other countries may provoke a denial of this, but cold facts

prove it to be true. Therefore, it is small wonder that the London, June 24.—The Princess of the naval review in the light of a spec-wates' Jubilee dinner to the poor was tacle that, like Katisha's elbow, will be worth coming miles to see.
