On Saturday afternoon the Navy and Garrison teams met in a match at the Canteen grounds, which resulted in a win for the former by two goals to one. This was another of the district league series, and, as indicated by the score, was evensented by its full strength. Owing to the nce of H. M. S. In introducing his speech he referred to some of the results of party politics it Eastern Canada. It promoted question able methods on the part of representa-tives of both sides in the effort to secure the election of their candidates. There had been bribery and corruption of all kinds ever since Confederation. It was not his intention to take a stand in favor of either party. He objected to the "Machine," a system adopted throughout both parties in rounding up voters previous to an election. In his opinion there would be no assurance of purity in politics until this was eliminated.
