tern, as it coincides with their childish ideas of the more strenuous life. In conjunction with this film there will be a rollicking comedy under the caption, "An Afternoon Off." Then going into the line of dramatics, "A Gypsy's Jealousy" will supply the chills and fever, while "The Consequences of A Nod" is said to be a European comedy that would make the most sedate person giggle. Last, but by no means least, will be a Biograph reel containing two of the biggest picture hits of the year, the delicious comedy, "Sweet And Twenty," and a serio-comic production, "Jealousy And The Man." The tremendous crowds attending the Star these days make it imperative to secure seats early.

BOY OF ELEVEN A FOOTBALL VICTIM

New Theory as to Origin of Negroes' Color

Big Catch of Gasoline Cans—Searching for Drifted—Will Take Marines' Property—The Bangor Campaign

SYRACUSE, N. Y., Feb. 3.—Injuries received in a football match, resulted in the death here today, of Wesley Kellogg, eleven years old, son of Rev. B. B. Kellogg, of Burlington, Pa. Death was due to paralysis.

ST. LOUIS, Mo., Feb. 3.—That the negro did not get his color from Ham, and that he is not even a member of the race of Adam, but a descendant of one of four or five brothers Adam must have had, is the belief of Rev. Dr. Edwin H. Richards.

Dr. Richards is attending the laymen's evangelistic convention which began a four-days' session here tonight. ATLANTIC CITY, N. J., Feb. 3.—The crews of the fishing smacks Theodore Fletcher and the Irene, ran into a big field of floating cans of gasoline off Beach haven today. The fishermen gathered 180 of the cans, which bear no marks by which they can be identified. Although no recent wreck has been reported from that section of the coast where the cans were found, it is believed that they formed the decal-load of a sunken steamer or barge.

WASHINGTON, D. C., Feb. 3.—Capt. Ross, commander of the revenue cutter Yamacraw, stationed at Charleston, S. C., to hunt for the schooner Mary J. Russell, of Leesburg, N. J., reported abandoned about 370 miles southeast by east of that port. The vessel is waterlogged loaded with timber. An effort will be made to tow her into Charleston harbor.

SOUTHERNDOWN, Mass., Feb. 3.—Officials of the Southbridge Savings Bank, the books of whose former treasurer, John A. Hall, are said tonight to indicate an apparent shortage of \$400,000 or more, said today that they will institute an action for authority to sell all the realizable property of ex-treasurer Hall. By this means they expect to raise about \$10,000.

BANGOR, Me., Feb. 3.—The feature of the Chapman-Alexander revival campaign on Thursday was a meeting for men in the Second Congregational Church, over 400 being at the tables. At the meeting, Dr. Chapman conducted a meeting for men in the Second Baptist Church, many expressing their desire at its close to lead a Christian life. At the same hour, a meeting for women was conducted in the Second Congregational Church by Mrs. Wm. Ashen. The central meeting in city hall, which was otherwise engaged Thursday night, will be resumed on Friday.

Dr. Chapman has expressed his gratification at the interest taken in the campaign, which, he says, has exceeded his expectations.

SUDDEN DEATH OF YOUNG MAN AT HAMPTON

Kenny Wareford Died of Hemorrhage While on His Way Home From a Social Gathering.

HAMPTON, N. B., Feb. 4.—A very sad and tragic death occurred last night at Hampton Village. A number of friends had spent the evening at the home of Mr. and Mrs. George McAvity, among whom was young Mr. Kenny Wareford, eldest son of Dr. Percy H. Wareford, who was apparently one of the most interested and happy of the guests.

The party broke up before midnight and the friends started for their homes. Mr. Wareford going in the team with Mr. Judson Slipp for the short distance to his home. On stepping out of the carriage he coughed slightly and hemorrhage ensued so freely as to fill the lungs, and with a gasping cry to Mr. Slipp he collapsed and was borne into his home. Dr. Wareford and the family were immediately summoned but within ten minutes the young man had passed away. The occurrence has filled the community with sympathetic sorrow as the deceased and his family were held in the highest regards. He

was about nineteen years of age, and has been in delicate health for a long time, although a fatal ending to his trouble was not immediately looked for. Indeed he has of late seemed to be gaining strength and hope was generally entertained that he might outlive his weakness. His father has lost in poor health recently and the shock comes with terrible force upon him at the present time. Dr. Wareford lost his wife suddenly a few years ago and this second sorrow and affliction comes with crushing power upon the whole household. Two younger brothers with the father survive.

ALTARS ON BOARD SHIP.

The following is taken from the Catholic Record:

"The first of the altars to be provided by the Canadian Pacific Railway for the use of Catholic priests on the Empress steamships has been dispatched from Montreal for St. John.

New Brunswick, and was at once installed in the Empress of Britain. The altar, which has been made according to the instructions of Mr. E. J. Herbert of the C. P. R. passenger department, is constructed of solid mahogany and is so made that it may be shut up into box form, and thus take up very little room. Being portable, it may be carried to any part of the ship. Its equipment includes the consecrated marble, on which the chalice rests when the Host is consecrated, and a complete set of ornaments of solid silver. All the various forms of vestments were also provided, so that the priests will find all the necessary appointments for the various offices.

Apparatus for the mass to the administration of the last rites. The altars for the other Empress boats will not be made until it is seen how this one suits."

INDIGESTION GOES IN FIVE MINUTES

Heartburn, Gas, Dyspepsia and Stomach Misery Vanishes Before You Realize It

STOMACHS FEEL FINE

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food or have a feeling of Distress, Heartburn, Flatulency, Nausea, Bad Taste in the mouth and stomach headache—this is indigestion.

A full case of Peppin's Diapapain costs only 50 cents and will thoroughly cure your out-of-order stomach, and leave sufficient about the house in case some one else in the family may suffer from stomach trouble or indigestion.

Ask your pharmacist to show you the formula plainly printed on these 50-cent cases, then you will understand why Diapapain is the best of all kinds of "must go," and why they usually relieve sour, out-of-order stomachs or indigestion in five minutes. Diapapain is harmless and tastes like candy, though each dose contains power sufficient to digest and prepare for assimilation in the blood all the food you eat; besides, it makes you go to the table with a healthy appetite but, what will please you most is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for Bilelessness or Constipation.

This city will have many Diapapain cranks, as some people will call them, but you will be cranking about this splendid stomach preparation, too, if you ever try a little for indigestion or heartburn or any other stomach misery. Get some now, this minute, and forever rid yourself of Stomach Trouble and Indigestion.

ELECTRIC RAILWAY FOR F'TON AND VICINITY

At the next session of the legislature there will be an application for a charter by a company known as the Fredericton Street Railway Company. R. B. Hanson is the solicitor and says that Fredericton will have the railway just as soon as they can get cheaper power. The idea is to have lines running to St. Marys, Gibson and Maryville and possibly Nashwaak, Springhill and Victoria Mills.
